Chartered December 9, 1920

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY
NEWS
BULLETIN

January 11, 1978

Next Meeting: Our guests will be Joan Wimpe, Camp Director for the Iowana Council of Campfire Girls, and Dave Maresh, who is Chairman of the Resident Camp Committee. They will present a program on Campfire Girls Today.

Meeting for January 11: Trooper Cal Wagner presented a very intriguing film on "Alcohol and Defensive Driving" which attempted to blow away some of the myths connected with drinking and driving, i.e., "black coffee cancels the effects of alcohol," "a half hour pause between drinking and driving remedies the situation," "keep food in your stomach and it will keep you from getting intoxicated" and "experience helps you to hold your liquor."

Trooper Wagner had an interesting "legal" definition of "intoxicated" i.e., when your faculties are impaired and your passions are aroused.

We appreciate his taking the time to share the film and his comments with us.

Birthdays: Al Gee, January 8; and Bob Blinn, January 13

Anniversary: Frank Race - January 12, 1949

Welfare: Bill Pohorsky is still in St. Luke's in Room 536.

Guests: Jack Eaton of the Washington, Iowa, AM'ers Kiwanis Club was the guest of Bruce Thorsen; Gary McGuire, who is a prospective new member, was the guest of Kim Stevely. John Wagoner of the Central City Kiwanis was our guest, as was our District Lieutenant Governor Perry Hummel. Perry encourages all Downtown Kiwanians to attend the February 15th meeting at Vinton and to support our own Charlie McIntyre for the next Lieutenant Governor. Jack Eaton also wants to enlist Kiwanians to participate as "wheelers and dealers" for the Casino Night at the Roosevelt on March 4 to support the March of Dimes. If you can help, call Bruce Thorsen.

Welcome to Bob Omer, who was installed as a Kiwanis member on January 11. Bob, who was sponsored by Bruce Thorsen, is an Associate Administrator at St. Luke's Hospital. Kim Stevely was in charge of the ceremony and reminded all of us, along with Bob, that being a good Kiwanian includes regular attendance, a willingness to serve, and pride in Kiwanis. Welcome aboard, Bob!

Project Ideas: The Kiwanis Farmer's Breakfast is scheduled for March 18 this year and in conjunction with that, the Board would like to have suggestions from the membership as to how the project money should be spent. If you have suggestions, see Tom Heabel or Howard Vander Schaaf.

Overheard in the Elevator: "If U R confused by Architect Stevely's explanation of U and R, U R not alone, I M 2."

Seriously: Some new members have already been inducted, others are just around the corner. Let's do our best to get acquainted with them and make them feel welcome. We want our Club to grow and surely this is a great place to begin!

Your Editor,
John Little

DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY
NEWS
BULLETIN

January 18, 1978

Next Meeting: January 25 noon - our guest will be Bob Larsen of the Burianek Camera Center, who will present a program on "Handwriting Analysis."

Meeting for January 18: It all began with Bob Rush and "friend" leading us in - you guessed it - "The Star-Spangled Banner." The program was provided by Joan Wimpe, Camp Director for Campfire Girls, and Dave Maresh, who is Chairman of the Resident Camp Committee. You may remember an interesting story about Joan in the Gazette - she chose to camp out in a tent during her college days as opposed to staying in a conventional dorm. Her mode of transportation, by the way, is a Honda 550 cycle.

Interesting facts about the Campfire Girls include:

- The organization was incorporated in 1912.
- The Iowana Council came into being in 1928.
- Camp Hitaga (hit-ā-gā), located about 20 miles from Cedar Rapids, is the area campground.
- The camp is a separate entity from the Iowana Council, with a separate funding program and it greatly appreciates the help that comes from sources such as Kiwanis. (We provided camperships for girls in past years)
- Resident camping remains for girls only, but boys are being inducted into other aspects of Campfire activities.

Guests: John Foens was the guest of Dick Landis. Bob Meskimen and Dow Prouty were the guests of Bill Anderson. Chuck Kirby was Mike Stoffregan's guest. Welcome also to new member Pytr Knoll.

Welfare Report: Bill Pohorsky is out of the hospital, and, we understand, back to work half-days.

"The Family And Other Living Things" is a program being presented by WMT TV this Sunday from 7 to 8 p.m. Kiwanian Bob Omer urged us all to tune in.

"Deacon" Kim Stevely passed the Glad Bag and collected lots of "paper" for the Kiwanis International Foundation. Monies collected will be used to help the elderly, youth, and disadvantaged.

Bob Dye wants you all to start thinking "pancakes." The Farmers' Breakfast is scheduled for March 18. Once again, if you have ideas as to how the project money should be spent, Tom Heabel and Howard Vander Schaaf are waiting to hear from you.

Program Chairman for February is Dick Landis.

Till next week as the Campfire girls would say, "Wo-he-lo," everybody! (Freely translated, "Th-th-th-that's all, folks.")

Your Editor,
John Little

WEEKLY
NEWS
BULLETIN

January 25, 1978

Next Meeting: February 1, noon. Our program will be presented by John Foens, Cedar Rapids Director of Recreation. February Program Chairman is Dick Landis.

Meeting for January 25: Since our guest arrived late, Jim Oetken, our Resident Analyst, shared some of his wisdom. He asked Charlie McIntyre to write a few things on the board and then told us that Charlie was from the south, worked at Quaker, and wrote left-handed! (Two out of three isn't bad) After the applause, Wally Brown introduced Bob Larsen, a KCRG engineer, owner of Burianek Camera Center, and a handwriting analyst. Mr. Larsen told us that it is extremely important how we cross our t's and dot our i's and that if we are going to forge checks to be sure and sign our names upside-down. Bob Armstrong suggested that the whole country could be straightened out if psychiatrists would get rid of their couches and go back to the Palmer method. Seriously, Mr. Larsen's program was most interesting and we appreciate his sharing it with us. Thanks to volunteer Kim Stevely (with three e's) for action above and beyond the call of Kiwanis.

Guests: Welcome to John Waggoner of the Central City Club and to Ray T. Moore, a Kiwanis Past President, guest of his son, Ron. Ken Millsap was a guest of Dutch Schultz.

The Rush Report - There were no birthdays or anniversaries, but Bob reported that Bill Pohorsky was working five or six hours a day. Is that a new record, Bill?

The K.F.B. Draft will be kicked off next week and Uncles Charlie, et cetera, want you! That's right, your name will be on the big board and sooner or later they are going to get you. The Past Presidents will be heading teams to sell tickets for the Kiwanis Farmer's Breakfast and they plan to draft every Kiwanian next week. Plan to be there. Date for the Farmer's Breakfast is March 18th.

Bowling Report: Don't ask me to explain it - I only know what I hear at Kiwanis meetings. Has the Masked Marvel returned? Are the pin-setting machines being rigged? Is Ed Colton out of town. I can't explain it but the team took 'em all again this week - won all 8 points!

Miracle #2: Can you stand it? The back of the bulletin will be changed (brought up to date next week).

WEEKLY
NEWS
BULLETIN

Next Meeting: February 8, Ash Wednesday, our guest will be Reverend Reagin Benedict of the Cedar Valley Bible Church.

Meeting for February 1: Dick Landis introduced his fraternity brother, John Foens, who is presently Director of the Cedar Rapids Recreation Commission. Dick's introduction included the fact that John was a Catholic-turned-Lutheran, that he coached at Tipton and Waterloo, and that during his college days he picked Dick up everytime he fell down...

John indicated that apart from organized recreation, there is a great deal going on in Cedar Rapids - activities sponsored by private clubs, schools, etc. There are, however, some gaps, and one of his concerns is that these gaps be filled. Some of the things done recently include three drop-in centers for senior citizens and an assuming of responsibility for the summer tennis program using the public school facilities. Concerns also include: programs for kids that may not be able to afford what is presently offered, and, a wider variety of activity such as pottery, painting, singing, etc.

John is obviously a person who is concerned for the entire community and it looks like Cedar Rapids has a great future recreation-wise.

Happy Birthday: to President Richard McConnell who first saw the light of day on January 29.

Guests: Bill Jameson's guest was Ed Sandler. Aaron Randolph bought lunch for, and introduced, his "guest" Lee Taylor. It was also good to see Bill Pohorsky back after a recent illness.

Welfare Report: Bob says everyone is O.K. with the exception of the bowlers who only won 2.

Special note to Board Members: The February 7 Board Meeting will be held at noon at Mim's in the River Room (which, our president says, is a room overlooking the river).

February 15 - Don't forget the Vote-for-Charlie Inter-Club scheduled for February 15 at Vinton.

Program #2 for February 1 - the K.F.B. Draft: Jim Oetken's dazzling footwork and repartee headlined the act which also included Captains (in alphabetical order): Charlie McIntyre, Colton, Jameson, and Landis. (Ed. note: even though I am on Charlie's team, I will try to make all K.F.B. reports as biased as possible.) All members received 25 tickets. Bob Dye, who is Chairman of the Breakfast, says he would like to have 1500 tickets sold by Pancake Day, March 18. (If the rest of us can do half that good it will be a whopping success!)

A recent Gazette story told of four Sudanese visitors who were impressed by Cedar Rapids in spite of cold, lack of transportation, and other inconveniences. Why? Because of the friendliness of the people they met. We can use the same formula to impress new members and guests with our club. It only takes a minute to be friendly, but it can make an impression that will last a lifetime.

Your Editor,
John Little

WEEKLY
NEWS
BULLETIN

February 8, 1978

Meeting for February 15: Our guest will be Barron Bremer, Athletic Director at Coe College, soon to return to his Alma Mater, Cornell College.

Meeting for February 8: Our guest speaker, Rev. Reagan Benedict, Pastor of the Cedar Valley Bible Church, was introduced by February Program Chairman Dick Landis. Rev. Benedict reminded us that Lent was a period of personal discipline that prepared us for the celebration of Easter, just forty days away. That discipline included three aspects: 1. A note of caution (are you willing to pay the price of discipleship?) ; 2. An openness to Christ's challenge to follow where He leads; and 3. A commitment to put Him first in our lives. Pastor Benedict's message was certainly challenging and appropriate.

Birthdays - Joe Greenlief February 5
John Palmer February 7
Vern Haaland February 9

Anniversary - Bill Pohorsky February 5, 1964

Our Guests: Three Kiwanians from the Metro Club joined us for the meeting. They were Les Sikora, Bill Ensign, and Ed Olson.

Bowling Report: Al Gravelie poured it on to take high game honors and lead the team to 6 out of 8 points. But Al couldn't stand prosperity. . .

Did you notice how quiet the meeting was Wednesday? It's hard to believe, but at the mere mention of Jim O's name, decorum flew right out the window. That's what you call influence!

Kiwanis Farmer's Breakfast - Saturday, March 18. Captains and their teams are listed below. Our project this year is a convection oven for Camp Good Health, a very worthy cause. (Les Sikora says a convection oven is one with many trays.) Captains, would you believe some of your members are all ready out of tickets?

WEEKLY
NEWS
BULLETIN

February 15, 1978

Next Meeting: February 22 our guest will be Don "Bucky" Buchheister of the Cedar Rapids Giants, who will introduce the Giants field manager and show a World Series film. If Bucky's here, can spring be far behind?

Meeting for February 15: February Chairman Dick Landis introduced Mr. Barron Bremer, presently Athletic Director at Coe College, soon to become Athletic Director at Cornell College, as well as Head Wrestling Coach and Assistant to the President there. (If you think that's a big job, consider our own Dick Landis who will try to coach two teams of cross country runners from opposing schools, Coe and Cornell.)

Mr. Bremer used as his model the Wooden Pyramid (named after Coach John Wooden of UCLA fame). The two corner stones of the pyramid are industriousness and enthusiasm, which translate out into hard work and a keen excitement about what you are doing. By the looks of things, Mr. Bremer not only teaches these concepts but has adopted them as a model for his own life. By the way, we can use them too to do anything from selling more pancake tickets to building a bigger and better downtown Kiwanis Club!

Health & Welfare: Walter Schultz was just released from the hospital and is recuperating at home.

Our Guests: Joe Stenner introduced Claude Jones of the Westminster Presbyterian staff and, we hope, soon to become a member of Downtown Kiwanis. Ed Sandler, one of our newest members, introduced his guest John Greenlee.

New Members: Roger Bottazzi was introduced by Bill Jameson and inducted as a new member by Kim Steveley. Roger is a super salesman with the Xerox Corporation, is married and has two children. Bill classifies Roger as a good golfer and a non-singer. Welcome to the club, Roger!

Pytr Knoll was the second man introduced Wednesday. His sponsor was Dick McConnell. Pytr is married, was a teacher at Newhall, and is presently with Gibson Realtors. His wife is studying for her law degree at the U of I.

Somehow in the midst of all of this, Bill Jameson got fined for losing the Duck, but Bill promptly retaliated by checking lapels and passing a cup which promptly "ranneth over."

Bowling Score: Four out of eight. Not half bad. (or is it?)

Kiwanis Farmer's Breakfast: Tickets are really moving and KFB Director Bob Dye promises to have a running total for all teams next week. Remember our goal is a convection oven for Camp Good Health. The date of the breakfast-brunch-lunch is March 18. Joe Greenlief, along with Kim Steveley, is circulating work sheets. Every Kiwanian will be needed sometime during that day. If we all get behind this project, there is no reason that this couldn't be the biggest and best Farmer's Breakfast ever! Industry and enthusiasm will get the job done! Thanks to Bernie Taymans, excellent posters are available, so be sure and pick some up and post them wherever you can.

Adios until March 8. Your Editor is heading for Tampico, Mexico, to spend two weeks at a work camp. While I'm gone, the paper will be in the capable hands of Bruce Thorsen.

Your Editor,
John Little

DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY
NEWS
BULLETIN

February 22, 1978

The February 22nd meeting was held in the beautifully decorated "Closet Room" of the Regal Roosevelt Royale in Downtown C.R. Guest speaker was Jack Mull second year coach of the Cedar Rapids Giants baseball team. Jack reviewed the successes of the 1977 season and the individual ball players who moved on and up in the S.F. Giants Farm Organization. He is hopeful the C.R. team will have a number of top rookie draft choices in 1978. He's looking for continued strong support from the friendly fans of Eastern Iowa. He announced that Maury Wills is expected to visit C.R. twice during the coming Giants season. The program was completed with a Curt Gowdy film on the 1977 World Series that turned out to be the "Reggie Jackson Show."

The March 1st meeting will prepare all of us for spring. Larry Bush from the YMCA will discuss the Cardiac Rehabilitation Program and Physical Fitness. All Kiwanians over age 30 are required to attend this meeting. Al Gee is March program chairman but Wally Brown lined up this speaker.

A powerful speaker will address Kiwanians on March 8. Ellery Hammond, chief engineer at the Duane Arnold Energy Center will speak on Nuclear Power. Sounds like an atomic program.

Don't Faint - but the Downtown Kiwanis finally managed an interclub (first of the decade?) at the Division 8 meeting last week in Vinton. How about establishing a precedent and interclubing once a month? It takes 4 to interclub, 2 to tango and just you to say Yes.

The Farmer's Breakfast Commissioner has decreed there is to be no player personnel trades as the teams enter the pennant drive.

Current Standings: Jamison Team - 105 tickets sold
Landis Team - 67 tickets sold
McIntyre Team - 50 tickets sold
Colton Team - 40 tickets sold

Looks like 2nd, 3rd, & 4th place could be a battle!

Guests: Jim Ward guest of Bob Dye
John Fones guest of Dick Landis
Ken Englebart guest of Bill Jamison
Perennial Guests - John Wagner, Central City
Perry Hummel, Vinton

New Member - Claude Jones transfer from Dubuque. Welcome!

Birthday - Mike Kennedy (smart Mike is in the Sunshine State).

Bowling - Broke even in spite of the liquid libation.

Special Presentation - by Lt. Ed Seger of the Salvation Army. Our club received 3rd place bell ringer trophy for 1977.

Ed. Note: Jim Oetkin & "Bucky" Bucheister seem to be looking more and more alike. I wonder why?

Bruce Thorsen

March 3, 1978

March 1 was a quiet day as the Downtown Kiwanis again partook of the Roosevelt Royale's unusual cuisine at their regular Wednesday noon meeting. Program Chairman Wally Brown introduced Larry Bush of the Cedar Rapids Community Cardiac Rehabilitation Program. Larry explained the unique program is a joint venture of St. Luke's Hospital, the Iowa Heart Association, Linn County Medical Society, the YMCA and Mercy Hospital. The program is designed to assist individuals recovering from cardiac ailments or concerned about their cardiovascular systems. The 36 session course costs about \$120. It mainly consists of exercise and physical training under strictly controlled guidelines determined for each individual. During the course participants "get in the habit" of exercising and hopefully will carry on after the course has ended. Registered nurses are always on site in case of emergencies. Two class members were present - our own Jim Oetkin and Rev. George Carlson of First Lutheran (LCA).

Farmers Breakfast Latest ticket totals show a surprisingly strong move by the Landis team as they vaulted into 1st place with 147 tickets sold. Jameson at 146, McIntyre 78 and Colton 56.

Bowlers rolled and captured 6 out of 8 points. Talented Verne Haaland had high game at 200.

March 16, St. Pat's eve is Kiwanis Legislative Day in Des Moines. According to Tricky Dick Turner, no problems with bribery law - since Kiwanians don't have anything to lobby for!

We're on the Prowl for new members. Our 1978 goal is 20. In the last two months we've added 5 new faces to our club. Keep it up and we'll soon be a mover and shaker group!

Bits & Pieces

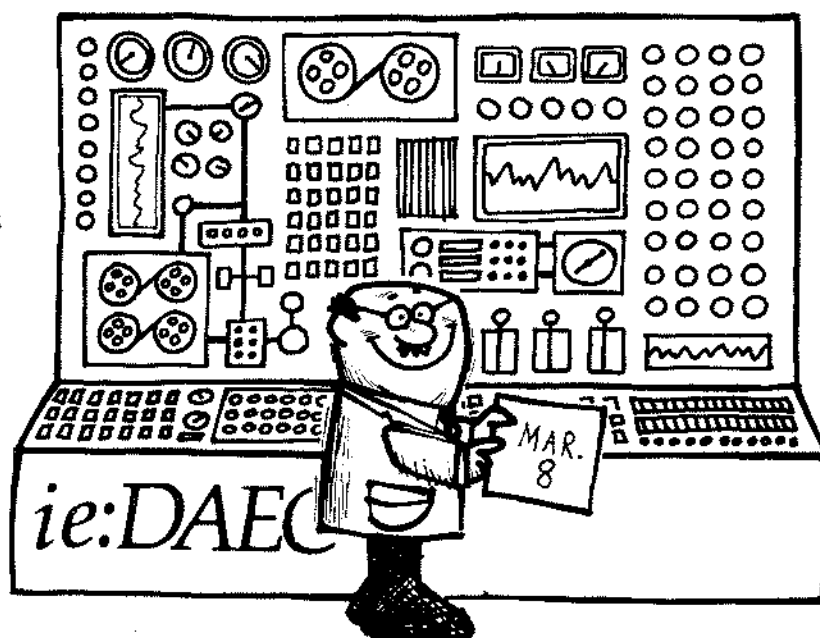

Board meeting Tuesday March 7 at the Roosevelt. . . Wally Loft, former member, is running for Iowa - Nebraska District Governor . . . Hugh DeWiese - made up a meeting aboard a cruise ship in the Caribbean. Not a bad idea! . . . Birthday for Adloph Helm.

Guests March 1 Earl Pommeter, Escanaba, Michigan - guest of Ed Seger.
Rev. George Carlson, Cedar Rapids - guest of James Oetkin.

March 8
A dynamic program on Nuclear Power. Don't miss it! If you desire, members may "brown bag it" in lieu of the Roosevelt's cuisine.

John Little is back next week, so long,

March 8, 1978

Next meeting - March 15 Roosevelt Royale at noon. Our guest will be Gary Oltragge of Dain, Kalman and Quail on Investing In the Stock and Bond Market.

Meeting for March 8 - Ellery Hammond, Chief Engineer at the Duane Arnold Energy Center was our guest. He has been at the center since its inception, serving as its design engineer and guiding its development over the 44-month period from construction permit to operation permit.

Some of the interesting facts concerning the center include:

- Its fuel supply, which is delivered by 3 semis once a year, is equivalent to 70 carloads of coal a day.
- Impact on the environment is minimal. You get many times more exposure from the sun than you do from the plant, living in our area.
- Mr. Hammond feels that the eventual evolution of nuclear power plants will be in the direction of breeder reactors.
- Safety and security records of existing nuclear power plants have been excellent.

Happy Birthday to Charles Loomis who is boating on a river somewhere.

Happy Anniversary (38th that is) to C. R. Farney who greets us all with as big smile once a week. Congratulations, C. R.

We are glad to report that Walter Schultz' health continues to improve.

KFB League Results - The Kiwanis Farmer's Breakfast ticket sales are moving at a brisk pace. The Jameson Jocks have a healthy lead with 281 sold, but will have to work hard to maintain it. The real struggle is for second place with McIntyre's Marvels with 214 and Landis' Lads at 209. Not far behind are the Colton Classics with 198. Total 902. March 18th is the big day. Have you signed the Work Sheet yet?

Elections in the air: Bob Gable is campaigning for Wally Loft for District Governor. We are all pulling for Charlie McIntyre for Lieutenant Governor. (Plan to be at Vinton at the Village Restaurant on April 5 at 7:00 p.m.) May 3 is the date for our local annual meeting and the following are on the nominating committee: Charlie McIntyre, Bill Jameson, Dick Landis, Jim Oetken, and Wally Brown.

Thursday, March 16, is Kiwanis Day at the Legislature in Des Moines.

Bowling Results! Would you believe a 267 by Ken Hunter and a 228 by Al Gravelle! The guys took 6 out of 8 the 2nd week in a row!

This week's guests: Bob Blinn's guests were Dave Faltis and Ken Vanous, Jim Oetken brought Dick Aune, Pat McParlord, and Sue Thomas, and Phil Morse was the guest of Al McIvor.

Our newest new member is John Foens. Welcome aboard, John. In recent weeks we have taken in five other new members and we trust you Kiwanians have met them all. Besides John, new members include Ed Sandler, Claude Jones, Pytr Knoll, Roger Bottazzi, and Bob Omer.

Special thanks to Bruce Thorsen who did a great job as editor while I was gone.

March 15, 1978

Next Meeting March 22 Our guest will be Bob Boaz from the Dallas-Fort Worth Area who will speak on the subjects of Asphalt Preservation and Energy Conservation. Mr. Boaz is with the Gee Grading and Excavating Company.

Looking Ahead: On March 29 our guest will be Senator Mike Blouin, Issues will include the Panama Canal, the Labor Reform Act, and the Small Business Act.

Happy Birthday to: Wally Brown (March 12), Vic Bock (March 14), Bob Dye, and Ken Hunter (March 15).

Happy Anniversaries to: Don Aanestad, March 14, 1974; Jim Manville, March 15, 1950; John Little, March 15, 1974; Burt Hynden, March 16, 1955; Al Gee, March 17, 1965; and Bill Jameson, March 17, 1965.

Welfare Report: Bob Gable entered the hospital on Wednesday, March 15.

Visitors: Chuck Kirby was the guest of Mike Stoffregan and Phil Morse was Dick Landis' guest.

K.F.B. Totals: By the time you read this, the Farmer's Breakfast will be a thing of the past. Ticket Sales had Jameson's group out in front with 360, Colton's men were 2nd with 321, Landis' salesmen had 265, and Charlie's "Angels" were in 4th with 233. A final report will be issued next week.

Bowling: The guys lost all points but did it with class - three of them had 500+ series.

Meeting for March 15: Our guest was Gary Oltragge of the investment firm of Dain, Kalman, and Quail. Mr. Oltragge touched on three areas: the economy, the stock and bond market, and services offered by companies such as DKQ.

The economy has been adversely affected by such things as the weather, the coal strike, higher interest rates, and deficit spending. Consumers are presently affecting the economy as they back away from investment spending. Mr. Oltragge pointed out that the market is the most undervalued in twenty-five years and will be lethargic for awhile, but he has a great deal of faith in the free enterprise system and believes the market will eventually recover.

Apologies: to Bob Greenlief and Joe Blinn for the guest mix-up last week; to C. R. Fahrney for knocking the "h" out of his name and to Pat McPartland for whatever. Patience fellows, it took me two years to learn how to spell Oetken.

Your Editor,
John Little

Next Meeting: Our guest will be Senator Michael Blouin who will discuss topics including the Panama Canal Treaty, the Small Business Act and Labor Reform Act.

Meeting For March 22: Our guest was a Texan by the name of Bob Boaz who is a part of the Gee Company and works specifically with Gee Asphalt Systems of Texas. Al took a moment to tell us a little about Gee Grading which does site preparations for buildings, roadways etc. and is on page 128-9 of the yellow pages. (Al felt free to do this since Bill Jameson had exited just moments before). Al then introduced Mr. Boaz who kept it straight most of the time except for one "crazy" detour via a local TV story.

Bob pointed out that there are basically two kinds of surfacing materials: Portland cement and asphalt. Both are basically made up of "rocks and glue", cement being rigid while asphalt usually remains flexible.

Asphalt applicators use a process of sealing to keep the air and water out of the material and thus increase its life. The best of these, in his opinion, is a cut-back system using a naptha-like product plus gilsonite.

The cost of asphalt is directly related to the amount of energy used in its preparation and application. As the cost of energy goes up, so does the cost of asphalt. Some work is being done today in the area of re-cycling using a machine that processes the old road bed, adds some new material with the resulting road or parking lot having its cost greatly reduced.

Guests: Al Gee's guest was Mark Williams.

Welfare Report: Bob Gable is recuperating at home. Bob Rush's report had Bob G. "all sewed up" but translated into non-medical terms that simply means he's doing fine.

Anniversary: Hugh DeWees (working on a sun tan somewhere) has an anniversary that is dated March 21, 1934.

Bowling Report: The team is on a down cycle again and got 2 out of 8.

Farmer's Breakfast Report: The Ticket Teams finished as follows: Jameson 391, Colton 331, McIntyre 277 and Landis 275. Landis' last minute attempt to buy 3 tickets at Wednesday's meeting was thwarted by our alert President McConnell (who happens to be on Charlie's team). Total ticket sales including those sold at the door is 1486 (some tickets are still coming in.)

My Easter wish (from an unknown author:)

May the glad dawn of Easter morn
bring joy to you.
May the calm eve of Easter
leave a peace divine with you.

Your Editor,

John Little

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY
NEWS
BULLETIN

March 29, 1978

Next Meeting April 5 - Our program will be presented by representatives of the Community Theater. April program chairman is Bill Pohorsky.

Board Meeting April 4 at the Roosevelt at noon. These are open meetings and can be attended for make-up purposes.

Meeting for March 29. Our March program chairman, Al Gee, introduced Congressman Michael Blouin, who was going to discuss three topics - The Panama Canal and two others but got stuck in the Canal. (Maybe he can come back, Al, and hit the other two.) The Congressman did not see any alternative to the treaty. He sees the Panama situation as the last frontier of "American Colonialism." He believes the present canal will be obsolete in thirty years and that a new canal won't be built without a friendly Panama anyway. The open discussion on the Panama Canal was a lively one with some obvious differences of opinion on the part of club members with the Congressman's position.

Happy Birthday to Walter Schultz whose day was March 29.

Happy Anniversary to Bob Rush, March 21, 1965, and to Dutch Schultz - April 1, 1975.

Guests - Les Sikora and C. H. McClure represented the Metro Kiwanis Club, while Archie Conklin, Norman J. Waffle, Walter Rech, and L. B. DeWees represented the Marion Club.

Welfare Report - Bob Gable is coming along fine. Hope to see Bob back at Kiwanis soon.

Just saw a bunch of birds flying north over Twin Pines which reminded me: must be about time for Dale Joseph to fly in from Florida.

Farmer's Breakfast Ticket finals has Jameson's team out in front with 403, Landis in 2nd with 377, Colton with 358, and Charlie M's team in the rear with 289. Total sales amounted to \$2,550.95. Looks like a convection oven for Camp Good Health is assured. Nice going, guys.

Don't forget the Division 8 meeting at Vinton Wednesday, April 5, at 7:00 p.m. at the Village Restaurant. Charlie McIntyre will be nominated for Lieutenant Governor.

Bowling Report: The guys must have had golf on their mind. They came away with one over par.

John Little

Next Meeting - April 12 Our program will feature a special film flown in from Washington, D.C., by our own ace pilot Bob Armstrong. The film "To Fly" is a full-color story of man's attempts from the beginning of time to get air-borne. (Bob saw the film projected on a five-story screen at the Smithsonian Institute and planned to show it on the side of the new Civic Center but couldn't get a projectionist to stand in the middle of First Avenue.) According to Bob, some guy in a pull-over sweater that he affectionately referred to as J. C. took him into a round room, handed him the film, and suggested he get out of town. Seriously, the film features great moments in aviation history that you won't want to miss!

Meeting for April 5 - (This report comes via the memories of Bob Dye, Bill Pohorsky, Dick McConnell, and the imagination of your absent Editor.) The program was put on by Nancy Humphreys, Dick Barker, David Corey, and the Five Tickettes. After a song and dance routine by the latter, the Kiwanians were also entertained by a pantomime routine of Barker and Corey. Oh yes, the reason for all of this was to encourage Kiwanians to purchase season tickets for the Community Theater. For more information call 366-8591.

Birthdays - Bob De Meulenaere April 4
Adolph Helm April 6

Anniversaries - Chuck Loomis April 7, 1948
Jim Bowker April 8, 1953

Welfare Report - Bob Gable is improving steadily.

Guests - John Emmons was the guest of Al Swegle. John is formerly a member of the Downtown Kiwanis in Waco, Texas, and is the new All-Iowa Fair Manager. Both John and Al are in the process of becoming members of our club.

Bowling Report - The team apparently has been struck by spring fever. Two points was the best they could come up with.

Board Meeting Notes - Motion approved to contribute \$185 to send an Explorer Scout rep. to the National Explorer Conference. . . Accepted with regrets the resignation of Ron Marek and Arnold Herbst. . . A big thank you from Bob Dye, Chairman of the Farmer's Breakfast to all who sold tickets, worked, and helped to make the day a success. The top ten ticket salesmen will be listed next week.

Looking ahead - April 19, our guests will be Deputy Sheriff and Jailer Danny Blome and Bob Kropa, Community Corrections Director.

Your Editor,
John Little

Next meeting April 19 - Bill Pohorsky, Chairman for the month of April, promises a very lively and informative meet for Kiwanians next week. Our guests will be Deputy Sheriff and Jailer Danny Blome, and Bob Kropa, Community Corrections Director. Bill doesn't claim to be a prognosticator, but thought it might be good for us all to know about these facilities just in case... Mr. Blome is at the Linn County Jail and Mr. Kropa at the Community Corrections Center.

Meeting for April 12 - Our program centered around the film, "To Fly," brought in especially from Washington by Bob Armstrong, who, after describing a close-encounter-of-some-kind in a "corner" of the Oval Office; introduced Gary McCright who showed the film. The film lived up to the promo-material that Bob gave us last week. (It was so realistic that some of the guys got air sick and had to abandon ship.) The film provided a very unique look at the history of flying from hot air balloons to explorations of outer-space. Thanks, Bob.

Congratulations to Charlie McIntyre who at a recent Division 8 meeting was nominated and elected by acclamation to the position of Lieutenant Governor for the 1978-79 year. Charlie was ably supported by Nominator Jim Oetken, along with President Dick McConnell, Jim Downing, Bill Jameson, and Bob Blinn. Mrs. Downing and Mrs. Blinn also attended.

Anniversary: Dale Joseph (still in Florida) April 14, 1960

Birthdays: Dan Schwitters April 13
John Little April 9

Welfare - the report said Bob Gable was doing fine. If you didn't believe it, all you had to do was ask him. Good to have you back, Bob.

Visitors - Sheri Little was the guest of her father. Gary Speichor was the guest of Pytr Knoll. Gary McCright was the guest of Bob Armstrong.

May 3 is the day for our annual elections. Reporting for the Nominating Committee, Charlie McIntyre listed the following nominees:

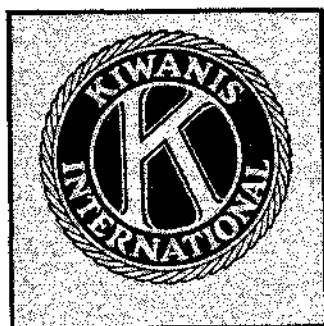

for 2nd Vice President: Kim Steveley
Al McIvor

Board Member for 3 year term: Mike Stroffregen
Ed Seger
Bob Blinn
Bruce Thorsen
Don Aanestad
Joe Greelief

Farmer's Breakfast Super Salesmen are: Ed Colton, 68 tickets, Ed Seger - 54, Al McIvor - 51; Bill Jameson, Dick Chandler, and Charlie McIntyre - 50; Ken Hunter and Dutch Schultz - 43; Sandy Batchelor and Ed Sandler - 42; Wayne Mead and Bob De Meulenaere - 37; Bill Windus and Jim Oetken - 35; and Joe Power - 34.

A Closing Thought: I have never believed much in evolution but after Wednesday's "Curly and Mo" routine I'm beginning to have some second thoughts. . .

John Little

April 19, 1978

Next Meeting April 26: Our guest will be Judge William Eads.

Meeting for April 19: Our guests included John Ely, a former legislator and presently Chairman of the Linn County Jail Committee, who pointed out that jail conditions have improved somewhat over the past few months for two reasons: (1) Some remodeling has been done at the County Jail, and (2) Overcrowding has been alleviated somewhat by the creation of the Community Corrections Center, alias, "the alternate facility." Danny Blome, Chief Deputy Sheriff and Jail Administrator spoke briefly about the jail. Measures being taken now are really stop-gap. The real solution, he feels, will be a new facility either at the present location or a regional jail which could include 6 judicial districts. He feels the jails and courts should be fairly close to one another to avoid a lot of transportation problems.

Bob Kropa, Community Corrections Center Director, made a few remarks concerning his institution and then introduced Denise Klienfelder, one of the counselors who has been with the program since its inception in 1977. She emphasized the fact that their staff is trying to help move residents back into the main stream of society by encouraging residents to be responsible family members and citizens. Their success ratio seems to bear out the fact that they are doing a good job. Dave Wittenberg, a Center resident, also shared briefly with us.

Birthdays: Burt Hynden April 18
Duane Kurrelmeyer April 19

Anniversary: Duane Kurrelmeyer April 17, 1974

Guests: Al Swegle introduced his guests, Keith Westercamp and Chip Kensinger.

Coming Up Annual Elections: May 3

If you think you feel bad when you see the "No Vacancy" sign at the Holiday Inn, think what it's like to arrive at the Linn County Jail only to be told: "Sorry, you'll have to come back next week!"

Bowling Report: If you would really like to know, call me, I was there, and it happened just like we didn't say last week.

Like the song says- "Big wheels keep on turning, gasoline keeps on burning." If this paper seems to be going around in circles at times, blame it on the vertigo caused by the Roosevelt Ramp Ride. Shouldn't complain, I guess. It does give you a chance to rub fenders with your friends. Wonder if the Roosevelt's ever considered a drive-in restaurant? All they need is a steam table on the seventh floor.

Your Editor,
John Little

Next Meeting-noon, May 3: Our guest will be Ken Certain, Director of Camp Wapsie-Y, the YMCA Camp near Central City.(located somewhere between Hit-i-a-ga and I-o-dis-sec-a).
May program chairman is Mike Stoffregen.

Meeting of April 26- Our guest, Judge William Eads, was introduced by an objective-impartial Orie Lawrence. Judge of the District Court, Mr. Eads is a native Iowan, (yes, Virginia there really is an Ida Grove), and is the "oldest" judge in the county. Orie introduced the Judge's subject as "the right to live" whereupon the Judge flipped the coin and talked about "the right to die." Judge Eads pointed out that we have moved from a time when most issues were clearcut to a time when circumstances have clouded things.

He cited the Karen Quinlan case as a kind of landmark situation. It was obvious from the audience reaction that there is still a great deal of controversy surrounding the "right to die" issue. The Judge raised as many questions as he answered, but perhaps this is an indication of the complexity of the case.

Our guests included Virgil Brumfield-guest of Orie Lawrence and a former Downtown Kiwanian now in Florida. Gail McIntyre was a guest of her father. Jack Muller, former Green Bay Packer, was the guest of Ed Sandler, and Bob Larson was the guest of Howard Vander Schaaf. Leonard Santon was our guest from the Metro Club and Perry Humel was also in attendance from Vinton.

BULLETIN

May 3, 1978

Next Meeting May 10 - Ken Hunter announced that the annual Good Citizenship Awards program will be held next week. Our guests will be 14 high school students from the 7 area high schools. Each student will receive a trophy and a \$25 Savings Bond, having been selected for this award on the basis of good citizenship as defined in a number of areas. This is always a very meaningful time as we share with the students, their parents and counselors.

Meeting for May 3 - May's Program Chairman, Mike Stoffregen, introduced the director of Camp Wapsie-Y, Ken Certain. (The implication of the introductory remarks was that Ken was nobody's fool even though he was married on the first day of April - 1978.) Ken's first attempt at a miracle was to get the Downtown Kiwanis Club members to act like a bunch of 11-year olds. Soon recognizing that this rated just below walking on water, Ken shifted into high gear and actually did give us that hour-and-a-half talk in 30 minutes. Some of the "older" campers got a little rowdy, but Ken managed to stare them down.

Camp Wapsie is located just a few miles west of Central City and is an excellent facility for youth camps, family picnics, church activities, etc. If you are interested, Ken would be glad to give you information. Kiwanian Don Aanstad is a member of the Wapsie Camp Committee.

Election Results: Kim Steveley was elected Second Vice-President and Bob Blinn, Ed Seger, and Mike Stoffregen were elected as members of the Board.

Nebraska-Iowa Convention will be held May 19-21 at South Sioux City at the Marina Inn. If you can go as an official delegate, please contact President Dick McConnell.

Anniversaries: Bob Blinn May 2, 1951
Ernie Kosek May 3, 1959
Al Gravelie May 5, 1959

Happy Birthday to Jerry Banes - May 2nd.

Bowling Report - The score this week was 4 out of 8. Ken Hunter said that just a week or so remains in this year's season, and made the fearless prediction that the Kiwanis team will not finish last. Someone suggested that sympathy cards be sent to the team that made that prophecy possible!

Representatives of Camp Good Health will be at our May 10 meeting when the check for a new convection oven will be presented. The check was made possible through your hard work at the Farmer's Breakfast. Thank you, Kiwanians.

John Little

Meeting for May 24 - Play it again, Sam - or in this case it's Paul - Paul Crowder of WMT radio. He will be playing some old vintage records and sharing other memorabilia with us.

Looking ahead: On May 31 our guest will be John Foens from Cedar Rapids Recreation. On June 7 Charles Mason, U of I Associate Dean with a slide presentation entitled - "The University of Iowa - Update '78"

Meeting for May 17 - Our guests were nine area high school students and their counselors. The occasion was the 18th Annual Kiwanis Industrial Arts Awards. Mr. Don Menning, who is in charge of the Industrial Arts program and has been with the Cedar Rapids school system for 32 years, made a few opening remarks and then turned the program over to Aaron Randolph, who did an excellent job as our roving reporter. Items displayed by the students included a variety of things such as a pool cue rack, gun cabinet, mirrors, a drill press, tables, note pads, etc. Don Cimaglia of Harding Junior High displayed a clock that took 1st place in national competition recently. The display of items was very impressive. The students and their instructors are to be commended for a beautiful job. Thanks also to Aaron, to Wayne Mead, and to May Program Chairman, Mike Stoffregen.

Guests - Dick Stimple and Jim Ward were guests of Jim Oetken. Robin Daikeler and Kim Laragan of "Up With People" were our guests also. Robin and Kim are advance persons for the two-hour musical, featuring people from all over the world, who will present their program Tuesday, May 23, at the Paramount. Tickets are available at Armstrongs or WMT, Co-sponsors of the event. Housing is still needed for members of the group and if you can help, call Kim or Robin at 362-5374.

Anniversaries - Al Bickel May 16, 1956
John Palmer May 18, 1970

Nebraska-Iowa Conference - By the time you receive this, the conference will be a thing of the past. Reports are forthcoming.

New Around Town CR Police arrested a fellow for stealing comic books from a local drug store. Guess that was carrying a joke too far.

BULLETIN

May 24, 1978

Next Week - Wednesday, May 21, our guest will be Bud Kudart, candidate for state senator.

Meeting for May 24 - Paul Crowder of WMT Radio took us all back a few years via the old crystal set to those thrilling days of yesteryear when out of the past came not only the Lone Ranger but the Dempsey-Tunney fight, FDR's somber broadcast the day after Pearl Harbor, Fibber McGee, George and Gracie, and the Romance of Helen Trent (that background uke player was something else.). Any distaff readers of this paper will be encouraged to know that Helen firmly believes in romance for women over 35. Ma Perkins and the Shadow made the show, too. A lot of other old favorites also put in appearances. The question of the superiority of today's entertainment over that of the past is still a moot one. Certainly radio has made (and is still making) a meaningful contribution to all our lives. Thanks, Paul.

Guest - Mike Long, manager of the Cedar Rapids Holiday Inn, was the guest of Pytr Knoll.

Happy Anniversary on May 27, 1964, to Jim Luhrs, "wherever you are."

Happy Birthday to Wayne Mead - May 25.

Bits and Pieces - Kim told Ed where the songbooks were again and so we sang a little. After "God Bless America" we sang that sentimental favorite, "My Grandfather's Clock." Believe me, you haven't heard anything until you hear our guys sing, "tick-tock, tick-tock." Then you can honestly say you haven't heard anything! Dick Landis came in late and said he would leave early to make up for it. Paul Crowder was informed that he could record our group singing, but declined, mumbling something about "copyrights" and "getting sued."

Congratulations, Dale Joseph! Kim Steveley presented Dale with a 17-year Perfect Attendance Pin.

Thank You, Kiwanis - Notes from Ruth Paulson and Don Menning were read on behalf of Camp Good Health and the Cedar Rapids school district for the convection oven presented to the camp and for the Industrial Arts Awards Program. Special thanks went to Aaron Randolph for a great job as emcee at the Awards presentation.

Reach Out and Grow - was the theme of the Nebraska-Iowa Convention and our club was ably represented by our President Dick McConnell and by our next Lieutenant Governor, Charlie McIntyre. Our next Governor is Mr. Hogan so that makes Charlie (you guessed it) one of Hogan's Heroes. President Dick reported on a plaque in Earl Butz's office, which carried the caption, "Which Way Were They Headed? How Fast Were They Going? I've Got To Catch Them! I'm Their Leader!" (That philosophy doesn't apply to our President. He's always out in front of the pack.)

MEETING FOR JUNE 7 Our guest will be Charles Mason-Associate Dean for Administration, Graduate College, University of Iowa. He will present a color-slide program entitled: "The University of Iowa - Update '78." The report covers such topics as Old Capitol restoration, teaching and research activities, current developments in women's and men's sports as well as fine arts activities at Hancher Auditorium. Program chairman for June is Howard Vander Schaaf.

MEETING FOR MAY 31- Wayne Mead introduced Bud Kudart, Republican candidate for State Senator from the 13th District. Bud promised two things even before he was elected: short speeches and the use of visual-aids. With the use of the latter he attempted to define the boundaries of District 13 but still left a few members confused. He pointed out that 1 out of 9 of the senators from the district are Democrats but since his area is primarily Republican he feels he has a good chance of winning. He supports Governor Ray's goals for the year 2000 which include a lessening of urban blight, continuing coal research, expansion of agricultural exports and a railroad revitalization program.

GUESTS- Mike Long and Gary Speicher were the guests of Pytr Knoll.

OUR BIRTHDAY BOYS include Mike Stoffregen-May 31, Jim Bowker-May 30, Jim Luhrs-June 3, and Tom Heabel who gives you a choice-April 30 or May 30. (Did Tom promise to pay double if we just wouldn't sing?)

ANNIVERSARY- Tom Anderson-June 3, 1975

BOARD MEETING June 6th at Mike Long's place-(that's the Holiday Inn) at noon.

CONGRATULATIONS to long-time member Ed Sandler who finally received his membership certificate.

CONGRATULATIONS ALSO TO: Lori Dye and Kelli Stegga, who are members of the Iowa AAU Basketball team, heading for the National AAU finals in Tennessee in June. Lori's father Bob introduced the girls and suggested that if you would like to assist the team in this venture you could make the checks out to Iowa A.A.U. and he would see to it that they got to the proper people.

John Little

WEEKLY
NEWS
BULLETIN

June 7, 1978

MEETING FOR JUNE 14 - Off we go into the wild blue . . . with Roy Jameson of the Cedar Rapids Municipal Airoort. Got any questions about the airport's past, present, or future, bring them along.

MEETING FOR JUNE 7 - Charlie Mason, who was introduced by Aaron Randolph, put on an excellent presentation of "The University of Iowa - Update '78." (Even the "architect from Ames" was drooling). Charlie, who was MVP his senior year at IU in basketball, taught math and basketball at Oskaloosa and then returned to his Alma Mater where he is presently Associate Dean at the Graduate School. The report covered such topics as Old Capitol restoration, teaching and reserach activities of some of the faculty and students, current developments in health sciences, women's and men's sports and fine arts activities at Hancher Auditorium.

ANOTHER HIGH-FLYER - this month will be Jim Oetken, who is heading for the Kiwanis International at Miami Beach. (Won't the stewardesses be surprised when half the passengers look like Jim!)

NEWEST NEW MEMBERS: Rudy Silvers and Mike Long were inducted as new members on Wednesday. On Tuesday, members of the Board met at the Holiday Inn where Mike is manager and were treated in royal fashion - thanks, Mike.

PERRY HUMMEL, our outgoing Lieutenant Governor, was our guest, also. Regarding the senate post Perry said he did not choose to run. But it seems like some guy with Perry's name does!

HAPPY BIRTHDAY - It was a double bill--Schneider and Jameson, but since the former didn't show, Bill Jameson got the full thrust of "Happy Birthday" and a hearty cheer when that dollar dropped in the bird. (What's good for the drake is good for the duck!)

SEPTEMBER 13 - WEDNESDAY. Be sure and mark it down. That's the date of the induction of Charlie McIntyre as District Lieutenant Governor, as well as the induction of our new officers. We are trusting that you will make every effort to attend. A fine program is being planned. Further details are forth-coming.

WHERE HAVE YOU BEEN? Ever plan a party and not have anyone show up? That's the way your program chairmen and officers feel on occasion when Wednesday noon rolls around. It's been said before, but here goes one more time: If you like what's going on at Kiwanis, tell others about it and encourage them to come. If you don't, tell us and we'll see what we can do to correct whatever is correctible.

Your editor,
John Little

Meeting for June 21: June Program Chairman, Howard Vander Schaaf announces that our guest will be Clarence McIntyre. His subject will be (believe it or not) the fine art of scrimshawing. All of you old sailors know what that is. The rest of you need to come and take lessons.

Meeting for June 14: Our guest was Roy Jameson of the Cedar Rapids Airport, who soloed at the tender age of 14 and has crossed the ocean 13 times (which prompted one of our wits to exclaim that he must have started from the wrong side or he wouldn't be here.) After passing out copies of the Airport's annual report he shared the following pertinent facts:

- There were 129,000 take-offs and landings in 1978 (hopefully 50% of each).
- Passengers have increased from 18,000 in 1950 to what should be close to $\frac{1}{2}$ million for 1978.
- All passengers demand A-1 service whether boarding in N.Y. or C.R.
- The Airport is financially on a very sound basis.
- Security and Fire Safety groups are certified and well trained.
- The Airport owns 2,500 acres and hopes to get 250 more soon for expansion purposes.
- The Airport is needed if C.R. is to maintain a stable economy.

Guest: John Bickle of McGregor was the guest of Hugh De Wees and the heckler of Roy Jameson

Welfare: Bob Rush reports no birthdays, anniversaries, or illnesses, but promises big things for July. Bob also reports that the "duck" is missing, promising to replace it with a goose, which suggests all kinds of literary possibilities from which I will refrain. Anyway, we can quit ducking whenever Bill comes around.

Songbird Ed Colton led us in "Faith of Our Fathers" and "I've Been Workin' On the Railroad" with one or the other being dedicated to Bob Blinn.

Your Editor,
John Little

The spacious Roosevelt Royale "mini-ballroom" provided the setting for the club's June 21 meeting. A "whale of a program" was presented by veteran speaker C. C. McIntyre of "friendly skies" fame. Mr. McIntyre, a scrimshander shared with the group his unique hobby of scrimshaw. It is the true American folk art of intricate engraving of whale's teeth or other ivory (eg elephants, walrus). The artist sketches a tiny picture on the whale tooth, then using handmade tools engraves the picture on the tooth. Finally, using india ink the engraved lines are filled in black, creating a beautiful piece of art. Mr. McIntyre has also branched out into making jewelry with engraved ivory using colors of ink.

The June 28 program will be a "family affair" according to program chairman Howard Vander Schaaf. "Adventures in the Past & Present" will be the topic of Elizabeth Vander Schaaf. Will she tell all? Come and find out June 28, 12 noon.

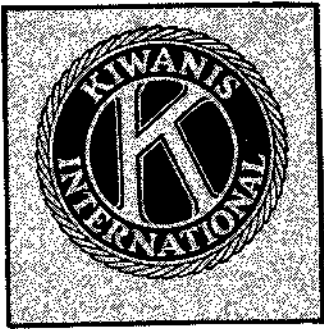

Guests WMT'S Jim Oetkin had as his guests, Pat McPartland of IE and Del Block a new Cedar Rapiidian from Spirit Lake where he was president of their Kiwanis and a past Lt. Govenor. He obviously will be our newest member! Welcome, Del. Frank Race, brother-in-law to Bob Armstrong, was also introduced as a visiting member.

A Helping Hand- President McConnell announced the board at a special meeting, had voted to contribute \$30 to help a young Cedar Rapids man with Speech Therapy at St. Luke's Hospital.

A New Goose- Bob Rush completed his assignment in tracking down a new goose for the club. All members recall our goose is used to embarrass those "silly geese" who forget to wear their pins; give unsolicited commercials; or come to meetings on their birthdays (heaven forbid!) Our new goose has a beer belly and is pink & blue from eating too much Roosevelt food.

Kiwanian invades Enemy Camp Bruce Thorsen will be invading the Philistines better known as Rotarians, Monday, June 27, as he speaks to them on St. Luke's Health Care Foundation. As they say, Rotarians own the town, Kiwanians run it, and Optimists do all the work!

The July 5 meeting was held in the Rumpus Room of the Regal Roosevelt Royale Hotel. Jim Oetkin chaired the meeting with his usual aplomb maintaining mild decorum in the group. Program Chairman John Palmer presented guest speaker Frank Nye after a 10 minute nostalgic introduction.

Mr. Nye discussed the recently recessed Iowa Legislature and its major accomplishments including raising the drinking age; the ERA; mandatory deposits on bottles and cans; open meetings law and Gasoline tax increase. He presented an interesting comparison: In 1948 Iowa state budget was \$50 million; in 1978 it was \$1.5 billion.

The July 12 meeting will feature 2 main speakers, Al Curtis and Bruce Thorsen speaking on St. Luke's philanthropy and the new St. Luke's Health Care Foundation.

July 11 Board Meeting. Don't Forget!

Hospitalized: Joe Power - Mercy
Al McIvor - St. Luke's

Birthdays: Ron Moore, July 2
Bob Armstrong, July 4
Joe Power, July 5

Don't call Mr. Armstrong by his first name - he's not 86 yet, and you aren't either!

Guests: Bill Shaner - former member, guest of Charles McIntyre
Harold Ward - guest of Dr. Downing
Ron Bevers - guest of Vic Bock
Rick Landstrom - guest of Ed Stanley.

Chairman Oetkin gave a brief overview of his trip to the Kiwanis International Convention in Miami. He came away from the meetings feeling the present Kiwanis leadership is in good hands and is interested in really being of service to the U.S., especially youth. A new program "Right start - The Formative Years," was unveiled at Miami as 1979's theme. Jim said he believes in Kiwanis goals now more than ever.

WEEKLY
NEWS
BULLETIN

July 12, 1978

Meeting for next week: July 19 at the Roosevelt at 12. Come and bring a friend and/or a prospective new member. We'll be looking for you!

Meeting for July 12: To begin with, John Palmer introduced Bruce Thorsen in a very concise manner after which Bruce reciprocated with a brief but meaningful introduction of his boss, Al Curtis. (Obviously both of these guys had more to say but were trying to outdo one another.) Al Curtis is Executive Director of St. Luke's, a graduate of Colorado State and Northwestern University. His major emphasis at St. Luke's is in the area of philanthropy. He pointed out that philanthropy plays a big part in the financing of programs in the U.S. with an annual input of about \$50 billion. At St. Luke's, gifts and grants since 1948 (including Hill-Burton monies) has surpassed the \$9 million mark.

Bruce took the second part of the presentation, pointing out that St. Luke's rate-per-day compares favorably with median costs in other hospitals in Iowa, being lower than most. He credits this to good planning, watchful spending, and donated labor and monies. An example of the latter is the fact that the open heart surgery set-up, which cost \$600,000, was paid for by donations. Thanks, Al and Bruce, for an excellent program.

Birthdays: We know that Blake Garske is already on his way south, but happy birthday, Blake. Come back and visit us.

Guests: Del Block, who was the guest of Dale Joseph and Don Rajtora, who was the guest of Orie Lawrence, are well on their way to becoming our newest-new members. Welcome aboard, guys. May your tribe continue to increase. Looks great to see all the new faces. If we can just keep it up, they'll soon outnumber the old ones!

Good to hear that Al McIvor is back home and feeling great. We'll be looking for Al back at Kiwanis soon.

Don't forget to keep September 13 open for the induction of Charlie McIntyre as Lieutenant Governor. Program and location will be announced soon.

In Memoriam: Our sympathy is extended to the family of Joe Powers who passed away this week. Joe first joined Kiwanis in November of 1951 and our club in 1959. He had 9 years of perfect attendance, serving as a director from 1964 to 1966 and as secretary from 1971 to 1973. A few months ago Joe shared the following with President McConnell, and we felt it was fitting to print it here.

Goodbye and Good Luck our friend
Remember us sometime when
you and yours are far away
Reminiscing over yesterday.

Goodbye we say, with feelings deep
for many memories we will keep
Thoughts of business and social too
of pleasant times we spent with you.

Our Good Luck to you is sincere
May it last throughout the years
and should you ever this way wend
Remember us, we're you friends.

J.P.

Your Editor,

John Little

Meeting for July 26: Our guest for next Wednesday will be WMT anchor-woman, Ms. Jane Hansen.

Program for July 19 - Dick Landis introduced John Lodwick, who is a student at Dallas Seminary doing his summer intern work at Cedar Valley Bible Church. Also included in his credentials is the incredible fact that he finished 8th in the Boston Marathon (perhaps the most prestigious of all long-distance races), and is ranked among the top 16 runners in the world. John was quick to point out that winning races was the second most important thing in his life, while glorifying God ranked number one.

John's very inspirational talk included the following thoughts:

- Although running may not be for everyone, most people can develop their own running program.
- Those who attempt to make running a religion or "way of life" are missing the mark.
- If you are going to run, stretching for 5 minutes before and after is extremely important.
- John shared his feelings while running at Boston. Crowds lined the course from beginning to end. It was an experience unlike any other he has ever had.
- John is pointing toward the next Olympic games. Those of us who heard him felt like he has a great deal going for him and wish him much success.
- By the way, if you are interested, you have 5 weeks to get ready for the 1978 Cedar Rapids 10,000 meter run (6.2 miles). Watch the local news media for details.

Anniversaries: Bob De Meulenaere July 16, 1972
Rex Schrader July 19, 1972
(Looks like we had two meetings that week . . .)?

Guests: Bob Armstrong's guest was Phil Morse, Athletic Director at Coe College, coming here from Mt. Vernon (Ohio, that is).

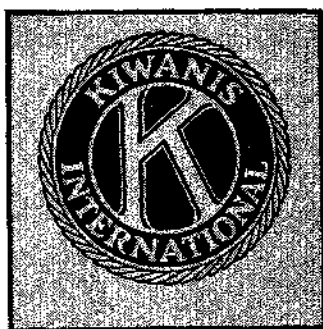

Harold Mally was the guest of Bob Dye, while Don Aanestad had as his guest Rotarian Bob Thiersch.

New Parking System: The Roosevelt recently installed a new paid parking system. You can get your ticket punched for two free hours of parking when you purchase your lunch ticket.

Ed Colton seemed extra light hearted as he led us in our singing. Maybe it was something he read in the paper. The "telegram" from "Wally" didn't do any harm either.

Well, I'm off to Western Iowa again. If I do get to Huxley, I won't mention anybody's name. Last time all I got was "Jim who?"

Your rambling editor,
John Little

Meeting for next week: Our guest will be Bonita (Bonnie) Strait, Volunteer coordinator for the 6th Judicial District, Dept. of Correctional Services, with the job of implementing the volunteer assistance program. Bonnie has a B. A. in psychology from Queens College, New York. She will tell us about the volunteer program for the 6th Judicial District.

Meeting for August 2: Wally Brown introduced our guest, Community Director at Kirkwood College, Darrel Slaybaugh. Mr. Slaybaugh graduated from Coe in 1972, is active in the Cedar Rapids Jaycees, and was named one of the top ten Jaycee Directors in America in 1974, as well as one of the Outstanding Young Americans in Who's Who for 1976. (Our apologies to Bob Armstrong but guess we'll have to agree that Darrel doesn't look like Jane Hansen). Darrel came to charge up our "attitude battery", telling us stories about a deaf ant (spelling correct), how to sell apples door-to-door, a chocolate Easter Bunny (boy!), and a failure that became president. One of the poems he shared with us is printed below. Hope it gives you the charge you need. The author is anonymous.

THINK

If you think you are beaten, you are:
If you think you dare not, you don't.
If you like to win but think you can't
It's almost a cinch you won't.

If you think you'll lose, you're lost:
For out in the world we find
Success begins with a fellow's will:
It's all in the state of mind.

If you think you are outclassed, you are:
You've got to think high to rise,
You've got to be sure of yourself before
You can ever win a prize.

Life's battles don't always go
To the stronger or faster man;
But soon or late the man who wins
Is the man who thinks he can.

Wonder what happened to last week's bulletin? Bob Dye had the ball and passed it to Bruce Thorsen but it was intercepted by an 8 lb. 8 oz. baby girl born to Bruce and his wife. Congratulations, Bruce! That's the kind of "Special Delivery" that takes precedent over all others!

Birthdays: Frank Race - August 20 (Frank couldn't make it as he had a date with his wife. Bob Rush says we'll sing "Happy Birthday" to Frank the next time he show up.)

Anniversary: Charlie McIntyre - August 5, 1970

Guests: Les Sykora of Metro - guest of Duane Kurrelmeyer
Bill Livingstone - guest of Henry Gundling
Max Schrader - guest of his brother, Rex
Clem Ryan - guest of Rudy Silvers
Kerwin Hulbert - guest of Roger Bottazzi
(Roger said Kerwin worked for X Company, but Bill Jameson wouldn't let him get by with it. In Roger's case, X is not an unknown.)

The Installation of Charlie McIntyre as Lieutenant Governor will be at the Holiday Inn on September 13 at 7:00 p.m. Local officers will be installed on September 27 at the regular meeting.

By the way, there's a blip on the radar screen! Looks like the Ruptured Duck is hungry and is getting ready to land next week on any Kiwanian who attends the meeting without a Kiwanis lapel pin.

Got to run now (in Omaha)

Your Editor,
John Little

August 9, 1978

Meeting for next week: August 16th at the Roosevelt.

Meeting for August 9: Pytr Knoll, August program chairman, introduced our guest, Bonnie Strait, Volunteer Coordinator the Sixth Judicial District, Department of Correctional Services. Bonnie reminded us that volunteerism is very much a part of the American scene and that voluntary work in the field of probation probably began about 1841. Probation is "a diversionary program in place of incarceration". Iowa is a little late in the field of volunteerism in the area of probationary involvement. In 1977 a state law was passed mandating community based correction services.

Other facts include the following:

- It cost 8 to 11,000 dollars to keep a man in jail and much less under a probation system.
- 80% of the people in jail are school drop outs.
- Alcohol and drugs play a major part in the problems of people in trouble.
- There are a variety of ways that we can help on a volunteer basis.

Concerning the last point, Ms. Strait left a detailed list of areas where you can be of assistance, twenty one to be exact. A community resource person, for example, would provide professional services on a non-fee basis to selected clients over a one year period; a tutor would provide services in remedial reading or tutor groups in history, math etc; a Skill learning aide would provide training in such areas as job-seeking, parenting, finance/budgeting etc. If you are interested, call Bonnie at 366-8626. Special training is available. Howard Vander Schaaf has a complete list of opportunities.

Welfare Report: Local club members are in fine shape (that needs to be qualified). However, Harley Steele a good friend of all Kiwanians and a member of the Metro Club is in St. Luke's Hospital.

Guest: It was good to see Ken Rudd back in town for a visit. Ken is a former Downtown Kiwanian now living in Indiana.

Anniversaries: Mike Kennedy - July 29, 1942
Vic Bock - August 8, 1942

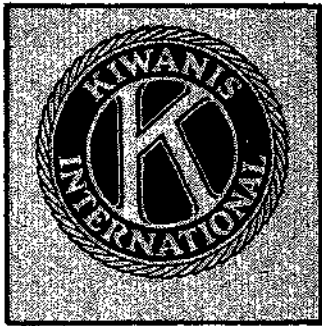

Birthdays: Frank Race - August 2 (Frank is a holdover from last week.)
Bill Windus- August 8. Hugh DeWees- August 10.

Dates to remember: September 13 at 7PM at the Holiday Inn, Installation of Charlie McIntyre as Lieutenant Governor. September 27, Installation of Local Officers.

Fire Sale next week of cars belonging to Kiwanians who arrived early at the parking ramp.

Notice of Southpaws: Sunday, August 13 was designated Left Handers Day according to Paul Harvey. This is the day when all left handers are demanding their - uh - rights. Good Day.

John Little

Meeting for Next Week- Dick Landis will chair the program. Our guest will be Wayne Phillip, Head Football Coach at Coe College.

Meeting for August 16 - Wally Brown introduced our guest, Mr. Cliff Egger of Armstrong's Department Store. Mr. Egger has been in the clothing business for 32 years and has been with Armstrong's the past 22. He heads the Men's Clothing and Sportswear Departments and shared with us what's around the corner in fashions for men. The slide presentation was very impressive and the feeling conveyed by them can't be duplicated with words alone.

On the horizon can be seen a continuation of vests, corduroy, and the use of sweaters. Coming on the scene will be double-breasted suits (again), long scarves, narrower belts and ties, 3 color/material coordinates in suits, the "layered look," fur collars on topcoats, and full-length trench coats with all the accessories.

Mr. Egger also stated that the classic "check" will also be big in men's clothing this year, prompting someone to "snidely" remark that all Cedar Rapids "checks" are classic. Taking off on the return to narrow belts, ties, and lapels, our guest remarked that an off-the-cuff test, whether buying a suit or a Subaru is: If you're paying more and getting less, it's probably in style. By the way, if you can't afford a new suit and want to look in style, you might try unbuttoning your collar, loosening your tie, and turning up your coat collar. If you walk fast, maybe nobody will catch on.

Birthdays: Happy Birthday to Clarence "Doc" Fenner, who is not only celebrating a birthday, but 43 years of perfect attendance at Kiwanis.

<u>Anniversaries</u> -	Jim Downing	August 13, 1947
	Mike Stoffregen	August 14, 1976
	Ora Lawrence	August 19, 1931

Guests - John English of Longview, Texas - guest of Bob Armstrong
Rod Oto, formerly of Honolulu - guest of Al McIvor
Jerry Smith (whose claim to fame is that he can sing on key when surrounded by those who are slightly off) - guest of Bill Jameson.

The Contest to name the best looking realtor in Kiwanis has been called off until Landis returns from Camp Hitaga. (I don't know why either.)

All Kiwanians were saddened by the death of a good friend and member of the Metro-Kiwanis Club, Harley Steele.

Dates Ahead

September 13 - Installation of Charlie McIntyre as Lieutenant Governor -
Holiday Inn 7 PM

September 20 - Installation of Club Officers at noon meeting.

August 23, 1978

Next Week's Program - Our guest will be Reverend Michael Lay, an exchange minister from near London, England (Mill Hill). A graduate of Oxford and former Naval officer, he is pastoring at St. Mark's Lutheran Church in Cedar Rapids.

Program for August 23: Our speaker for the day was Wayne Phillips, Head Football Coach at Coe College, who was introduced by the Coe-Cornell Cross Country Coach, Dick Landis. The third representative of the Coe Athletic Department seated at the head table was Phil Morse, Athletic Director on the local campus. (No wonder Orie didn't say much!)

Coach Phillips has had an outstanding record at Coe. He does double duty as track coach and his track teams have been champions 7 years in a row. Although his football teams have not fared quite as well, they usually have winning seasons finishing .500 or better.

Although academics are emphasized over athletics at Coe and most other Division III schools, the brand of football played is excellent in every way and a number of people from these schools have gone on to play professional ball.

Marv Leavy, head coach of the Kansas City Chiefs, was a former coach at Coe and Bill Fish with the Cleveland Cavaliers was a player at Coe. In the past year, Coe has had 4 Little All-Americans: Dan Schmidt and Paul Wagner in football, Mark Parker in baseball, and Silas Hudson in the 120 yard High Hurdles.

Those attending Coe football games in previous years have been treated to some exciting and unusual experiences. Among them are:

- The oldest football rivalry west of the Mississippi, Coe versus Cornell. This year they will play on November 4th.
- A football game where the score was "held down" to 87-0.
- A 90 yard punt on a quick kick..
- A 52 yard field goal..
- Double and triple reverses.

This year Coe has a ten-game schedule with two night games. The regular season starts September 2 and the Conference begins in October. Plan now to take in a few games.

Guest - Scott Seger was the guest of his father, Ed.

Anniversaries- Sandy Batchelor - August 26, 1964

<u>Birthdays</u> - Sandy Batchelor (again!)	August 24
Al Bickel	August 25
Clyde Sanborn	August 26

Dates to remember:

Installation of Charlie McIntyre as Lieutenant Governor at 7:00 p.m. September 13. Installation of Local Officers at noon on September 27.

Following in the tradition of Wayne Phillips, I have some good news and some bad news: The bad news - I made a mistake in last week's bulletin. The good news - I'll be gone to Rhinelander, Wisconsin, next week. Bruce Thorsen will serve as your Editor while I'm gone. See you at the Cornell Field House at 8:15 on Saturday, September 2, in the First Annual Run-For-the-Watermelon Ten Miler.

Your rambling editor,
John Little

September 1, 1978

Program for September 6: Forbes Johnson, administrator of the Department of Mental Health Services (Linn County & Cedar Rapids) will be our guest. His topic will be "Psychiatric Services and Mental Health Resources Available in Cedar Rapids."

Program of August 30: Colonist Richard Landis introduced a local Tory, Michael Lay, a minister of the Union Church in Mill Hill, England(U. K.) The Rev. Lay is on a pastoral exchange with St. Mark's Lutheran Church here in Cedar Rapids. A former Royal Navy officer and Oxford scholar, Rev. Lay spoke about the merger of the Presbyterian and Congregational Churches in England. He stressed the need for the church to be forward thinking and willing to get involved in the day to day lives of Christians. Rev. Lay commented on high inflation in England and how it is affecting the social values of the society. Many questions from Kiwanians followed his thoughtful remarks.

September 6, 1978

Program for September 13 - the meeting will be at 7:00 at the Holiday Inn. The occasion will be the installation of Charlie McIntyre as our District Lieutenant Governor. Guest speaker will be Nebraska-Iowa Governor Hogan. The menu will feature prime rib. A meeting for officers is scheduled for 6:00 p.m.

Program for September 6 - Our Program Chairman for the day was Al McIvor. His opening line about a universal-joint left us all wishing he had played his bagpipes. After the groaning subsided, Al introduced Forbes Johnson, Administrator of Linn County Mental Health Services, who suggested that most of us could find ourselves somewhere on the scale of mental illness, which begins with the simple inability to cope with stresses in life and continues through the neurotic and psychotic stages.

To the question, "What causes mental illness?" two answers have been given: 1. Organic theory, indicating the thing physically wrong; and 2. Life adjustment theory, indicating the cause to be primarily psychological.

The treatment of mentally ill people has traveled a variety of roads, including superstition, religion, witch-hunting, and an over-independence on drugs.

Linn County has an excellent record in the area of mental health. Much help is available.

Welfare Report - Perry Hummel is recovering rapidly and plans to attend the evening meeting on September 13.

Anniversary - Jim Rasley September 13, 1947

Guests - David O'Rourke (Pytr Knoll's brother-in-law) was the guest of Bob Armstrong. Bob Winehart, school board candidate, was given a superb introduction-nomination by Wayne Mead, and Aaron Randolph presented Lee Taylor, a former Kiwanian who will be leaving our fair city for Danville, Illinois, soon. Good luck, Lee.

Bowling Report - Ed Colton campaigned for regular (or even slightly irregular) bowlers for the best team in the history of Kiwanis (so far). Only good news from last week since bowling was cancelled. "Nothing ventured, nothing lost" is our team's motto.

Dale Joseph is establishing permanent residence in Florida. His resignation was accepted with regrets.

Our Kiwanis year is coming to a close. It's been a good 12 months with President Dick at the helm. Our goal was 20 new members. We have 13 at present. Let's try for 7 more by October 1.

Question: Who is the mysterious investigative reporter labeled "The Omen" in last week's news? Could this be a "sign" of things to come?

Your Editor,
John Little

September 13, 1978

Meeting for September 20 Our guest will be Linn County Sheriff Orly Workman. The program will feature a demonstration of a "stress analysis machine". (Maybe some of the Kiwanians have already been tested since the machine is presently at use in Linn County).

Looking ahead to September 27. This is Installation Day for local officers. Guest speaker for the day will be Bill Aossey. President of Mid-America Arabian Corporation Limited who will speak on the subject: "An Arab American's Perspective of Recent Developments in the Middle East".

SEPTEMBER 13 MEETING: INSTALLATION OF CHARLIE MCINTYRE AS DISTRICT LIEUTENANT GOVERNOR

An overflow crowd attended this very significant meeting at the Holiday Inn. Thanks to Kiwanian Mike Long, manager of the Inn, everyone was served in fine style. Representatives were present from Cedar Falls, Cedar Rapids Metro, Central City, Marion, Hiawatha, Vinton, Waterloo and Cedar Rapids Downtown Kiwanis (27 Downtowners plus their Queens).

Jim Russell of the Vinton Club presented our club with the Lt. Governor's banner. Appreciation to Perry Hummel for his fine service was expressed. He was presented with a large box which, it was rumored, contained all of last year's late reports but it turned out to be a plaque and Past Lt. Governor's pin.

District Governor Richard Hogan presented a challenging message to all Kiwanians. A Kiwanian since 1962 he is also active in the Jaycees and was voted the Outstanding Man of the Year in 1970 in that organization. He reminded all Kiwanians that if a club is alive it ought to be growing. His own personal slogan is "I can do all things through Christ who strengthens me" and feels that we as Kiwanians can do just about all we want to do if we set our minds to it.

This years theme is "Light Up A Life". The Major Emphasis program is "Right start--The Formative Years". He encouraged all clubs to be involved in the major emphasis program. Governor Hogan handed out a sheet of targets for 1978-79, and challenged all clubs to meet or surpass their part of those goals.

Thanks to Ed Colton for filling in with some group singing in the absence of the Kennedy High group and to Gail McIntyre who ended the evening in such beautiful fashion with "You Light Up My Life". Congratulations once again to District Lieutenant Governor Charlie McIntyre. Our club is proud of you and want to do all we can to support you.

(Special thanks to Coral Dye for the notes for this edition).

John Little

Meeting for September 27 - Next Wednesday our program will feature Bill Aosse, President of the Mid-America Arabian Corporation, Limited, who will speak on the subject, "An Arab-American's Perspective of Recent Developments In the Middle East." Our program will also include the installation of Jim Oetken as Kiwanis President, along with the installation of other officers for 1978-79.

September 20 Meeting - Speaker for the day was Detective Bob Fulton of the Linn County Sheriff's Office, accompanied by the Psychological Stress Evaluator. The machine operates as a lie detector by picking up unusual stress in a person's voice. Although evidence produced by the machine is not admissible as evidence in Iowa, the influence of the machine's findings often results in confessions by those committing crimes.

The machines are used widely in pre-employment interviews, both by the Sheriff's office and by some local employers.

The PSE has a price tag of \$4,000 and is completely portable. It uses a cassette tape and regular current and is quite effective, according to Detective Fulton.

<u>Anniversaries</u>	Ken Hunter	September 15, 1972
	Joe Stenner	September 16, 1929
	Ed Seger	September 17, 1975

<u>Birthdays</u>	Howard Smith	September 10
	Jim Downing	September 20
	Henry Gundling	September 5

In spite of the liberal giving by the celebrants, we still sang Happy Birthday.

Good reports continue to come in regarding last Wednesday's Installation of Charlie McIntyre. The Special Committee of Tom Heabel, Pytr Knoll, and Bill Jameson, the piano playing of Mrs. Dye, Mike Long's hospitality, Ed Colton's song-leading, and Gail McIntyre's singing were all noted as contributing significantly to the evening. Final total in attendance: 117.

On Tuesday noon, October 3, Governor Robert Ray will be the guest of the Optimist Club. Kiwanians are invited to attend. Cost will be \$3.25, with wives invited. Reservations must be in by September 29. Call 398-2109.

Note to All Board Members: The October meeting will be held Tuesday, October 10, at noon at the Roosevelt, to allow you to attend the above meeting on the 3rd.

John Little

September 27, 1978

Meeting for October 4 - This coming Wednesday begins a new Kiwanis year under the direction of President James Oetken, who will present his goals for the club for the coming year. Other officers installed by District Lieutenant Governor Charles McIntyre at the September 27 meeting were: 1st Vice President, Wally Brown; 2nd Vice President, Kim Steveley; Treasurer, Duane Kurrelmeyer; Secretary, Howard Vander Schaaf; and new directors Bob Blinn, Ed Seger, and Mike Stoffregan. A rising note of thanks was given to President Dick McConnell for a really great year just completed.

Meeting for September 27 - Speaker for the day was Mr. Bill Aossey, President of Mid-America Arabian Corporation, Limited, who explored the subject: "Recent Developments In the Middle East." Mr. Aossey has made numerous trips to the Middle East and has served as consultant to numerous companies and countries and is eminently qualified to address the particular subject.

Mr. Aossey indicated that the problems in the Middle East actually began following World War I when three contrary commitments were made: 1. The Arab people were promised their freedom; 2. The Israelis were promised a new nation; and 3. England and France decided to divide all North Africa between those two countries. Religious problems along with the attending problems of nationals trying to establish themselves as world powers contribute to the situation. The solution will obviously take a great deal of time.

Anniversary - Kim Steveley September 27, 1972

Birthdays - Ed Colton September 25
Al Gravelle September 27
Joe Stenner September 29

Guests - Rita Stoffregan, Dee Block, Betty Oetken, and Dottie McConnell, all guests of their husbands.

President McConnell read a thank you note from Margaret Powers for the gift in Joe's name to Camp Courage.

Note of Change - October 10 is the date for this month's Board Meeting.

Kiwanians have been invited to be guests of the Tuesday noon Optimists on October 3, 1978, at the Roosevelt with Governor Robert Ray.

Bowling Score: +2 or -6

Well, when you're hot, you're hot
And when you're not, you're not
But 2 out of 8 ain't a lot
No matter what scale you got.

The end of an era? In light of our new President's recent "tome from Rome" how much change can we expect? Rumor has it that board meetings will be held in the Aquinas Room of the Dubuque Holiday Inn and that the Annual Pancake Day will feature Bingo-While-You-Wait. Oh, well, if things get too bad we can always call ORU for help. By the way, Jim never had a chance to finish his note from P.J. It concluded with a personal note: "Gotta go... Cardinal Sicola (who wanted to become Pope Sicola) tells me the lasagna's getting cold."

John Little

October 4, 1978

Next Meeting, October 11 Kiwanis President, James Oetken will present his goals for the 1978-79 year...If you think you've heard that before, you're right. (Jim says he is going to keep telling us until we get it right!) Seriously, there was a breakdown in communication. Our new President will indeed speak to us this coming Wednesday.

Meeting for October 4 Guest for the day was State Representative Tom Tauke, Republican candidate for our Congressional District.

Mr. Tauke indicated that in his opinion today's government is spending too much of the U.S. tax dollar on itself. He pointed out that by 1985 50% of all national income will be spent by the government. Budgets and deficits are growing by leaps and bounds. Inflation and the high cost of living are the number 1 problem facing our country today.

If elected he would aim for less government control. He believes that congressmen should represent their constituency whenever possible but that there are times when he must simply vote his own conscience.

On the question of ERA he raised the issue of the process that has been followed indicating that time for the ERA proponents should not have been extended without giving some balance to the opposition.

Guests: New member Frank Vavaris who is with Prudential was the guest of Bill Jameson. Les Sykora representing Czech Village and the Metro Kiwanis was a guest of Charlie McIntyre. Les provided President Jim with a loaf of Cedar Rapids finest rye bread to get him started on his bread route.

Kiwanis Board Meeting this Tuesday, October 10 at the Roosevelt.

Bits and Pieces Next week our new President will take a show of hands so be sure and come clean. He considered taking a male survey but decided against it, perhaps for the same reason he decided not to take a telephone pole.

The bowling team is still batting .500. Maybe they'll do better when the baseball season ends.

Outgoing President Dick McConnell presented President Oetken with a brief case. (Sort of hoped it was a joke book).

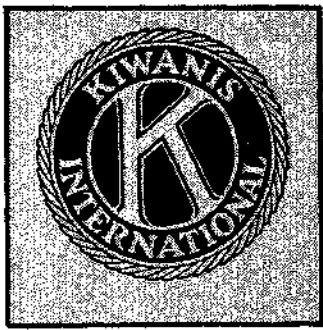

Sure agree with Charlie McIntyre that Bob Dye did a great job as Club Secretary these past five years.

Next Week-- October 18 with Congressman Michael Blouin. Bring your Tauke notes and elementary Canal questions. It should be ver-r-r-r-y interesting!

Meeting for October 11 - President Oetken and District Lieutenant Governor McIntyre presented a double-barreled approach to Kiwanis Goals for 1978-79. Charlie presented a film strip on the major emphasis: Right Start - The Formative Years. It reminded us that the greatest power we have is to influence the life of a child. President Jim emphasized the major theme and indicated that living out the theme in service was one of our goals. Another major emphasis for the coming year will be club growth. Twenty-five new members is the target we are aiming for and the obvious feeling of those present was that it can be done if everyone will work at it.

Anniversaries -- Vern Haaland October 10, 1970
Dick McConnell October 14, 1964

Birthday -- Bob Gable October 13

Guest -- Perry Hummel from Vinton

Bowling Report -- Arron Randolph gave a positive report, which included the fact the team bowled Monday at 6:00 p.m. at Lancer Lanes. That was, positively, the end of the report.

Awards -- Dick McConnell recieved a Past-President's Plaque and a hearty round of applause for a job well done. Bob Blinn recieved, as door prize, a picture of a fine lady (the President said she was a dog, but then there's no accounting for taste). Members will donate prizes in the future. We can expect such things as old railroad spikes, polka dot shirts (slightly irregular), slightly used uppers and lowers, and maybe even some Captain Crunch.

Committee Chairmen for this year include:

Inter-Clubs	Del Block
Program	Kim Steveley
Membership	Ed Sandler and Al McIvor
Major Emphasis	Bob Omer
Publicity	Bruce Thorsen and Mike Stoffregen
Youth Services	Aaron Randolph
Pancake Day	Pytr Knoll and Mike Long
Farm-City Day	Al Swegle

(With a team like that, how can we lose?)

Our sympathy is extended to Clarence "Doc" Fenner, whose wife passed away this week. Funeral services were held Friday at 2:00 PM at Turner's East.

Fall Conference - The annual Fall Conference will be held at Conway Civic Center in Waterloo on Saturday, November 11, beginning at 8:00 AM. Officers and Committee Chairmen are encouraged to attend, along with other interested parties. If you can go, contact President Oetken or Charlie McIntyre.

WEEKLY
NEWS
BULLETIN

October 18, 1978

Next week- October 25 - Our guest will be Congressman Mike Blouin. (Is there an echo in here?) Due to Congressional complications, he wasn't able to keep his appointment last week.

Meeting for October 18-- Our guest was Mike Gebauer, who is manager of the new Five Seasons Center. Mike expressed appreciation for the support of the community for the Center and recognized that the 69.8% vote on the referendum carried a great responsibility too. He realizes that although he is directly responsible to the Commission, he is indirectly responsible to the entire community.

Conventions are booked for the Center as far ahead as 1983. In 1979 alone, 32 week-end conventions are scheduled, plus a World Tennis Exhibition (complete with Howard Cossell), a world gymnastics contest, Holiday on Ice, rodeos, circuses, boat shows, etc.

The Center will provide full time jobs for 250 people, plus a 300 part-time jobs. Between 10-12 million dollars will come into our community in 1979 as a result of the Center's activities.

The Center will seat 7200 people in athletic events, and 8500 for concerts, etc., on stage. Stouffer's restaurant will accommodate 180 people and, with the hotel, will open on January 15. In case you're having special guests, you can rent the Presidential suites for \$150 per night and really be in style.

The Five Seasons complex includes the Stouffer Hotel, the Roosevelt Royale, the Auditorium, the Ballroom, and the Parkade.

Guests Les Sykora from Metro Kiwanis had as his guest his grandson, Kenny Burns. Gary Speicher's guest was Virgil Jones.

Anniversaries -- Dick Landis October 16, 1968
Jim Oetken October 18, 1972

Prize Winners included Bill Windus, Rudy Silvers, and John Little. Prizes were a Newspaper, a book, and a record. Next week's prizes will be donated by this week's winners. (I knew there was a catch somewhere!)

President Jim's Point-of-View

" For this is the law of the jungle,
As old and as close as the sky.
And the wolf that shall keep it may prosper,
But the wolf that shall break it must die.

As the creeper that girdles the tree-trunk,
The law runneth forward and back;
For the strength of the pack is the wolf,
And the strength of the wolf is the pack."

We can only make the year a great one in the history of Cedar Rapids Kiwanis if we understand the wisdom of Kipling's lines above and its application to our organization/ J.B.O.

Don't forget the Fall conference at Waterloo on November 11. Call President Jim or Charlie McIntyre if you are interested. Officers and Committee Chairmen are especially urged to attend.

Your Editor,
John Little

WEEKLY
NEWS
BULLETIN

October 25, 1978

Meeting for November 1-- Our guests will be Dick Kvach and Tom Allar of the Cedar Rapids Planning and Redevelopment Commission. They will bring us up to date on the new bus situation and then take us on a tour of our fair city (once around the block?) in one of the new buses.

Meeting for October 25-- Congressman Mike Blouin finally arrived, minus 40 pounds (which he said he gave to Culver). We appreciated his finding time to present his views to us and to answer questions.

He reminded us that inflation is the #1 problem facing our country and that it needs to be approached from three different directions. 1. Energy and the control of it's use in housing, transportation, and industry must be dealt with. The declining value of the American dollar is directly connected to our unwillingness to take this issue seriously; 2. Government spending: Although some progress has been made in this area, much remains to be done. Congressman Blouin believes the budget can be balanced over the next 3-4 years and that this will help increase the value of the American dollar overseas; 3. Wage- Price Spiral- He is not in favor of imposed wage-price controls. To do so would simply prolong the problem. Lines of communication between management and labor must be established. He believes we are on the right track and will eventually solve the problem.

Fall Conference- The 1978 Fall Conference will be held at Waterloo. Reservations need to be in soon, so if you are an officer, committee chairman, or just an interested Kiwanian, please let President Jim or Charlie McIntyre know as soon as possible.

Additional Chairmen-- Spiritual Aims - Al Gee
Citizenship Services - Ken Hunter

Guests on October 25 included:

Glenn Drahn - guest of Don Aanestad
Tom Saxton - guest of Ron Moore
Pete Langmack and
Paul Oetken --guests of Jim Oetken
Paul Jones - guest of Fred Kluss

Happy Birthday to Orie Lawrence - October 22.

Prizes - This week's awards went to Don Aanestad, Sandy Batchelor and C.R. Fahrney. (Don't forget, you can not win one of these fabulous prizes in absentia.)

Bowling Report - Bowlers Ed Colton, Al Gravelie, Mike Long, Larry Fishwild and yours truly took 6 out of 8 points. Al had a great middle game (over 200 with 5 strikes in a row) and Larry had 5 or 6 X's in a row, too.

Talk to anyone about Kiwanis lately? Don't forget we are looking for 25 new members in the year ahead! It won't "just happen": we will have to make it happen.

Your Editor, John Little

Is the rumor true that President Jim bought a bottle of glue and is trying to get son Paul to get a crewcut??

Look for a Blue Bulletin Next Month!

Meeting for November 8 Program Chairman for the month is Mike Stoffregen. He is planning a tremendous program but is keeping it under wraps. You'll enjoy whatever it is. See you there.

Meeting for November-1-- The program for the day was presented by Tom Allar, Dick Kvach, Ray Bagley, and Dean Wheatly of the Cedar Rapids Planning and Redevelopment Commission. The fifth "guest" was the Bus, a new 37-seater from Pontiac, Michigan, complete with air conditioning, power steering, diesel-powered, and radio-equipped. Following the meeting, Kiwanians were treated to a 15 minute ride and seemed to be quite satisfied with the experience. Tom and Dick told us about the procedure they had to go through to get the new buses, and Ray amused and informed us about the bus itself, including what to do when little old ladies got on the bus (the term he used covered a broader territory). The new buses should be on the streets by November 13. Future plans include route markers along the way, more enclosed shelters, and a central transfer area downtown.

Board Members - the November Board Meeting will be held at Noon in 201 at the Roosevelt on Tuesday, November 7.

Congratulations to prize winner John Emmons. I didn't see the gift so whatever it was that was to help John through those long winter nights remains a puzzle to me. It is no engima, however, what next week's winner will receive (or aren't the fair tickets printed yet?).

Sorry to hear that Bill Pohorsky is in ST. Lukes, 452, where he is busy dialing the phone from a slightly bent position.

Guest of Aaron Randolph was Burr Bryant (surprised that there were no Alabama jokes); good also to welcome Vintonite Perry Hummel.

Del Block encouraged everyone to get involved in Inter-clubs. His aim is to visit every club in the district at least once with an Inter-club.

Aaron Randolph wants to hear if you have any suggestions for the Youth Committee.

Soul Food--via Al Gee

Be honest now. Have you ever heard of Akkub and Talmon? Everything we know about them is told in Nehemiah 11:19. "Moreover the porters Akkub, Talmon and their brethren that kept watch at the gates were a hundred and seventy-two." The exploits of Moses, Samuel, David, Daniel, and even Mehemiah has been told and retold. But who were Akkub and Talmon? They were the leaders of a 172 member security force outside the gates of Jerusalem.....

Much of the significant work being done in our time is accomplished by people without any kind of public reputation. They don't attract much attention to themselves for the things they do. They just raise families, feed the hungry, encourage the downtrodden, hope, dream, and build to make this world a little better than it was when they came here. We must have great leaders like Nehemiah, but we just can't get along without legions of dependable unknowns like Akkub, Talmon, and their security force.

DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920 Incorporated
Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY
NEWS
BULLETIN

November 8, 1978

Next Week- November 15 at the Roosevelt Royale. Our guest will be Don Jacobsen of Northwestern Bell. His subject: "Diary of A Dream."

Meeting for November 8 - Our guest was Christy Smith of Kirkwood. She developed the subject "The Family Constellation and Your Position In It." Ms Smith explored the effect on the individual of being the oldest, youngest, middle, or the only child and added some light to why a lot of Kiwanians act the way they do.

What good will such information do now that the die is already cast? She suggests that any awareness of self is helpful. We tend to repeat the family constellation in our own marriage, work relationships and social contacts. With an awareness of why we do what we do, we may be able to guard against excesses in our actions and reactions.

Guests: Ron Bevers, new Penny's manager, was the guest of Vic Bock. Ron, along with Tom Saxton, are our newest new members. Great to see Ken Holvenstot at Wednesday's meeting.

Sorry to be losing Ken Hunter, who is moving to Arkansas. Ken's resignation was accepted with regrets by the board on Tuesday.

Welfare Report - Good to see Bill Pohorsky got everything straightened out and was able to be back at the club.

Anniversaries - Bob Dye November 10, 1971
Larry Fishwild November 6, 1973

Musical Notes - Ed Colton got the old songbooks out again and led us in singing everybody's favorite, "Wait Till the Sun Shines, Nellie" and "The Yellow Rose of Texas." (Was that a tear in John Emmons' eye?) Next week, Jonh will lead us in that old classic, "She'll Be Coming Around the Mountain." (Don't know if we can stand all this culture!)

Bowling Report - the team's tactics have changed, according to Aaron Randolph. Forget the shirts and bring on the cheerleaders! Guess they figure if they can't win, they might as well enjoy losing.

Program Suggestions?- Mike Stoffregen will finish out November and Tom Heabel will be the December chairman.

Bell Ringers still needed for December 8 & 9. If you can help, call John Little or Ed Seger.

Our sympathy is expressed to the family and friends of Julie Suchomel who passed away recently. We miss Julie's friendly smile and helpful manner as we chech in each Wednesday.

John Little

Meeting for November 22

This week's program surely promises something for everyone! Tom Ecker, Athletic Coordinator for Cedar Rapids Schools, will take us on "A World Wide Trip", and Larry Statler of Kirkwood's Agricultural Division will, in honor of Farm - City Day, take us on a tour of Linn County farms.

Meeting for November 15, 1978- Don Jacobson of Northwestern Bell shared the "Diary of A Dream" with us. The story centered around the first 100 years with the telephone company, which began its existence in 1876. Questions at the end of Don's presentation revealed the following facts: that there are still 300 independent phone companies in Iowa (eight in Linn County alone); that the 9-1-1- system will be in effect in Marion in 1980 (and perhaps C.R.); and that Bob Rush spends alot of time staring at his phone waiting for a picture to come thru.

Inter-club anyone? Del Block, Inter-club Chairman, is taking a group to Vinton on Tuesday, November 21. The club meets at the Apple Inn at noon.

Door Prize recipient Pytr Knoll recieved a Deluxe Tic Tac Toe game and promptly got his table involved playing it.

Guests- Dick Landis introduced Dan Raddawig of the Cedar Rapids Recreation Deptment. (Dan was later voted on by the Board and accepted as our "newest" new member.)

Ron Moore introduced Jeff Albertson who, according to Ron, is with Cedar Rapids #1 Insurance Agency. (Bill J. immediately saw green and Ron gladly paid up.

Bowling Report - Mike Long reported the score as 3 out of 5, but it turned out to be the number of bowlers who showed up.

Anniversary - Jerry Banes November 12

Birthdays - Bob Rush (November 15) and Jim Oetken both had birthdays this week. Bob paid up, but the Veep (Wally Brown) said we'll get Jim next week.

District Interclub - Members attending the Waterloo meeting included President Jim Oetken, Wally Brown, Charlie McIntyre, Howard Vander Schaaf, and John Little.

Want to spoil your Thanksgiving?

1. Forget the many good things in life you have and overemphasise the few things you lack.
2. Think that money is more important than it actually is.
3. Think you are indispensable.
4. Think you have too much to do.
5. Think that you are exceptional, or entitled to special priviledges.
6. Forget that a sense of responsibility is essential to a democratic society.
7. Think that you can control your automatic nervous system by reason or control.
8. Forget others.
9. Cultivate a pessimistic outlook.
10. Feel sorry for yourself - perhaps the worst mental habit.

Jonh Little

November 22, 1978

Next Week's Program:

Tentative, due to availability.

Meeting for November 22: The program began with Ed Colton leading us in God Bless America, and a meaningful commentary on a scripture by Claude Jones. Our guest from Kirkwood, Larry Statler, showed us slides of the Agri-Business Department at the school and Tom Ecker took us on a mind-expanding trip to (Des Moines). Before this exciting travelogue, Tom showed us a great film on "how to make a banana" plus "the difference between fowl and scratch". A great program. Thanks Larry and Tom.

Bell Ringers: We are scheduled to man the kettles on December 8 & 9 this year. If you haven't signed up yet, call John Little or Ed Seger.

Anniversary: Tom Heabel November 23, 1972

Birthdays: Jim Oetken November 17
Rick Chandler November 19
Dutch Schultz November 23

With Regrets: The letter comes from Max Greenspan of the Roosevelt, and the letter reads: "Effective December 1, 1978 we will be increasing the price of the buffet lunch from \$3.25 to \$4.00." The salad bar will still be available at \$2.50.

Guests on November 22:

From Metro: Bill Ensign
Wayne Ryan
Les Sykora
Wally Horn
Ed Olson
Don Peterson

Jerry Passer and Father Goedken were the guests of President Oetken.

Keith Mile was the guest of Jim Downing.

Dennis O' Brien was the guest of Mike Long.

Rev. Lawson was the guest of Ed Seger.

Rich Altorfer was the guest of Dick McConnell.

Beth Grabau and Susi Hargraves were the guest of John Emmons.

Inter Club Schedule: This Tuesday at East Side Kiwanis. They meet at the Towne House at 12:10.

I'M off to Northern Wisconsin (Conrad Johnson permitting).
See you next week.

DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY
NEWS
BULLETIN

November 29, 1978

Next Week: President Jim will be out of town, but V.P. Wally Brown will maintain a modicum of decorum, as we welcome "the lady from Phillips Petroleum". She is Floriene Messall, a special representative of Phillips, the only woman in the corporation employed as a full-time speaker. She has given over 500 talks in 43 states, including a number of conventions and TV talk shows. Don't miss it!

Meeting for November 29 : Our program was presented by Kiwanian Bruce Thorsen and the Director of Diagnostic Procedures of St. Luke's Cardiac Care Services, John Weber. By way of a film and slides, Dr. Weber explained the latest in cardiac care at St. Luke's. Latest procedures allow the passage of a catheter tube through the vein or artery and in and through the heart for exploration purposes. Heart by-passes and valve repairs are now being done at St. Luke's with all of the latest equipment being used to insure the very best job.

The need to take care of our heart was emphasized by the fact that a normal heart, in a lifetime, will pump 18 million barrels of blood.

Board Meeting: this Tuesday, December 5, at noon.

Anniversaries : Dr. Clarence Fenner November 30, 1933
Congratulations, Doc, on a great record!

Birthdays - Charlie McIntyre November 27
Dick Landis December 2. Dick, who turned 20 on Saturday, ran his age in miles on Thursday. (Yes, Dick, there really is a wall!)

Bowling Report : We had two attractive cheer leaders behind us all evening and bowled in an inspired fashion, taking 2 out of 3 games plus total pins for 6 out of 8 points.

Guests : Ed Sandler's guest was Dick Nemec. Don Bales was a guest of Joe Greelief, and Colonel Warne Mead was the guest of his brother, Wayne.

Dan Raddawig gave a "nutty" gift to Ron Beavers during the "show and tell" segment.

Del Block announced this years fifth Inter-Club for Tuesday, December 5, at 7:00 A.M. at the Towne House with the Hiawatha Trails Club. Looks like we're on our way to a record year in that department!

Under the fine leadership of Ed Sandler and Al McIvor, the membership committee is aiming for a hundred members and should make soon! Bill Jameson with five new members signed up is setting the pace!

Got any ideas for the Youth Services Committee? See Aaron Randolph.

Kiwanis is looking for a pianist for special occasions. If you can play (or your wife can) let President Jim know.

District Lietenant Governor Charlie McIntyre announced that he and Wayne Tooman field Service rep. for Kiwanis International, recently made a trip to Waterloo to investigate the possibility of a new Kiwanis Club there.

Your Editor,
John Little

December 6, 1978

Program for Next Week -- Christmas is a time for surprises and that's what you are in for this week. Tom Heabel is December Program Chairman and you know he's coming up with something g-r-e-a-t!

Program for December 6- Our guest speaker was Florieene Messall of Phillips Petroleum. Ms. Messall, who travels across the country in behalf of her company and the petroleum industry, is bullish on America, but not too certain about the government that's running it. She is concerned that we: 1. Restore confidence in the American Free Enterprise System; 2. Adopt a program of fiscal responsibility; 3. Reduce the rate of inflation; 4. Increase production efficiency; 5. Examine the present energy policy closely and watch it carefully.

Richard Nemec, one of our newest members, left Wednesday humming, "I can see clearly now." This was a result of a "good-looking" gift from Ron Bevers.

Bowling Report: Terms used to describe the results were almost unprintable. But our men are undaunted and will keep on trying.

The Tuesday Noon Optimists (who meet at 11:30) have invited all Kiwanians to attend their December 19th meeting when Tom Tauke will speak.

Our newest members are Richard Nemec, Frank Siebrecht and Jeff Alberts.

Guests -- Marvin Kuba was the guest of Rudy Silvers, Frank Siebrecht and Sherwin Taradash were the guests of Ed Sandler, Bob Kima was the guest of Charlie McIntyre, Don Bales was the guest of Joe Greenlief, Bill Bing was the guest of Claude Jones, and Dorothy Gee was the guest of her husband, Al.

<u>Anniversaries</u> - Wayne Mead	December 9, 1961
Fred Kluss	December 6, 1963
Al McIvor	December 4, 1973
Aaron Randolph	December 7, 1976
Joe Greenlief	December 9, 1969

HAPPY BIRTHDAY to Aaron Randolph on December 7th.

Program for December 20 - You'll want to bring your Kween to this special Christmas program, featuring Happiness, Inc., an outstanding musical group from Kennedy High School.

Special Thanks to all the fine Bell Ringers. We'll let you know our two-day total as soon as possible.

Your Editor,
John Little

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY
NEWS
BULLETIN

13 December 1978

NEXT WEEK - December 20 - Our special Christmas program will feature "Happiness Inc.", an outstanding musical group from Kennedy High School. Queens are especially invited. Those Kiwanians who have heard "Happiness" know you are in for a special holiday treat.

MEETING FOR December 13 - Tom Heabel presented Social Security representative Jim Wood, who promptly called for a bowling score. Following the silence Mr. Wood proceeded with a report on the status of Social Security today. Facts included the following:

- 1 out of every 7 people in Linn County get a Social Security check.
- \$5 million annually is received by Linn County residents via Social Security checks.
- Size of checks received are based on; 1) Equity accumulated and 2) Social adequacy (how badly you need it).
- By 2025, wage earners will pay Social Security taxes on a maximum salary of \$375,000 with average benefits of \$5,000 a month.
(Ed. Note: he forgot to mention that wallets will be exchanged for wheelbarrows and bread will be 1\$ a slice!)
- The Social Security office has a computer which reminds its operators of the proverbial little girl: "When it is good, it is very, very good, but when it is bad. . ."

GUESTS ON December 13 - Included Don Bales, guest of Bill Jameson; Bob Klima, guest of Charlie McIntyre; former president Ray Moore, guest of son Ron; Jim Carrithers, guest of Al McIvor; Bill Meeker, guest of Don Aanestad; and Dave Hansen and John Arthaud, guests of Jim Oetken.

HAPPY BIRTHDAY - to Bernie Taymans - December 10. . .and Howard VanderSchaaf on December 16. HAPPY ANNIVERSARY to Ron Moore - December 15, 1965.

NEW MEMBERS - Approved by the Board Wednesday were Bob Klima, Sherwin Taradash and Don Bales. Welcome to the club!

FORMER PRESIDENT STEVE ROOT - Is mentioned in the cover story for Guideposts December '78. The story is written by the bus driver who took Steve and his friend to the hospital.

BELL RINGERS' TOTALS - They were two of the coldest days of the year on December 8 and 9. But Kiwanians bundled up and braved the cold. The results of that are as follows:

KILLIANS - Friday, December 8	\$153.55
WOOLWORTHS - Saturday, December 9	<u>119.70</u>
	\$273.25

WEEKLY

BULLETIN

December 20, 1978

Next Week's Program - December 27:

Firooz Etemad, a native of Iran, will provide some background of the current unrest in that country.

Program for December 20: Our program was presented by a special Jazz Improvisation group from Kennedy High School. Following a kind of play-as-you-go system, they presented numbers by Cannonball Atterlee and Chicago. For those expecting Christmas Carols, "Cannonball" provided 2 bars of Jinglebells. Other wellknown favorites included "Ariel", "Exit Swinging" and "25 or 6 to 4". We appreciate these fine young people and their director and were glad they could come and share with us.

Guests: for the day included a wonderful group of Kweens and John Foens, who was the guest of Dan Raddawig.

Congratulations to the John Emmon's on their 21st Wedding Anniversary.

Notice has been recieved that President Jim Oetken is leaving WMT on December 31st. His future plans will be announced soon.

In recent weeks we have had a great increase in new members. To inform them and to remind us all of the meaning behind Kiwanis, the six constitutional objects of Kiwanis are printed below:

- To give primacy to the human and spiritual, rather than to the material values of life.
- To encourage the daily living of the Golden Rule* in all human relationships.
- To promote the adoption and the application of higher social, business, and professional standards.
- To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.
- To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.
- To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism** and goodwill.

May you and your families have a blessed Holiday season.

Your Editor,

John Little

BOARD MEETING - Noon At Roosevelt

DOWNTOWN KIWANIS CLUB OF CEDAR RAPIDS, IOWA

Chartered December 9, 1920

Incorporated

Roosevelt Royale, Wednesdays, 12 Noon

WEEKLY
NEWS
BULLETIN

December 27, 1978

Program for next week: January 3. Our guest will be Jack Laugen of Coe College. Topic will be "Scandanavian Immigration History in Poetry and Music". The Rotarians tell us it's the best program they have had all year. (Somehow Jim, it doesn't sound funny. Anyhow, Rotarians have a weird sense of humor.)

Program for December 27: Our guest was Mr. Firooz Etemad of F & S Associates, a consulting firm in Cedar Rapids. Mr. Etemad's subject was the country of Iran. After a brief history of the country, starting about 2500 years ago, he pointed out that the two strongest leaders in modern times have been the present Shah and his father. Iran has a number of steel and rubber mills, but their number one export is, of course, oil. At present they have been exporting about 6,000,000 bbls of oil a day. (Mr. Etemad believes the day is coming when the number one export will be copper). He also believes that Iran's problems today can best be solved by a coalition government and that the Shah should be retained through a constitutional monarchy.

Anniversary: Bob Gable, December 29, 1954.

Happy Birthday: to Ray Vaughn, December 30.

Congratulations also to Lorretta Erger who has served the customers of the Roosevelt for 35 years and who retired last Wednesday.

President Jim was left speechless by Joe Stenner's gift of "a cartridge in a bare tree". I don't know what to say about it either.

BOARD MEETING NEXT TUESDAY, JANUARY 2.

Bowling Report: (A kind of good news-bad news thing). The good news was that "they won all the games they bowled". We've had enough bad news for the year, so you'll just have to read between the lines.

WHAT IS KIWANIS

KIWANIS is people.

Excerpt from
Australia District Publication

It's men who know the greatest success they can achieve is building better communities.

Men who know that getting a kid off drugs is a priceless contribution; who know that detection of a child's disability, and subsequent treatment, is an act without a price tag. And it's men who know that the loneliness, and sometimes poverty of old age, can be swept away by a little of their time and a lot of their help.

Kiwanis is men who want to expand their circle of acquaintances; to be more involved in their communities; who want to be part of things; of where they live, and where they work. Kiwanis helps them achieve that goal.

There are nearly a third of a million Kiwanians, in clubs across the world.... subscribing to the same ideals and aims.... differing in what they do only as national customs differ.

Theirs is a continuing, informal, people-to-people programme.... where friendships and common purpose transcend international borders.... and real world understanding may sometimes be the best result of everything they do.

Your Editor, John Little
